PRESS RELEASE

13th May 2008

DEEPAK KAMANI RECORDS STATEMENT WITH KACC

CHIEF NEWS EDITOR

As you are aware, businessman Deepak Chamanlal Kamani presented himself to the Kenya Anti-Corruption Commission at Integrity Centre on 12th and 13th May 2008 to record a statement regarding his involvement in the multi-billion shilling Anglo Leasing Financial Scandal. Investigations are still on going and the Commission is yet to record a statement from Mr. Rashmi Chamanlal Kamani.

At the present time, both Kamani brothers are treated as suspects until the matter is concluded. Upon concluding the investigations, the Commission will forward the files to the Attorney General for direction.

In a section of the media, it was reported that the Commission discussed the possibility of amnesty with Mr. Deepak Kamani. The Commission would like to categorically state this is a mis-representation of facts. The two days of interrogation concentrated on Mr. Deepak Kamani's role in the security type related Anglo Leasing scandal. We call upon all law abiding journalists not to exaggerate issues or matters but to report factually and responsibly.

Thank you,

Nicholas Simani
