PRESS RELEASE

NEWS EDITOR

The Kenya Anti-Corruption Commission will be conducting a Corruption Risk Assessment at the Mombasa Municipal Council on Monday 20th June 2005 at the Municipals Chambers commencing at 9am.

This Corruption Risk Assessment is in response to complaints of massive corruption at the Mombasa Municipal Council. The CRA will cover all the departments of the Council.

The objective of the Risk Assessment will be to:

1. To examine existing policies, systems, practices and procedures in order to identify and profile corruption prone areas in the Council.
2. To provide instant advice on findings that would require urgent action.
3. To assess the need for a full examination of the systems, policies, procedures and practices of the Council.

The Commission is requesting for coverage of the function at the Municipal Chambers, which is to be attended by His Worship the Mayor, Assistant Director, Dr. Smokin Wanjala, Town Clerk and Councillors.

Your participation and coverage from your Coast Province journalists is highly appreciated. For clarification, please contact the undersigned.
