PRESS RELEASE

CHIEF NEWS EDITOR

The Kenya Anti-Corruption Commission has arrested three City Council's Directorate of City Planning employees for demanding and receiving Ksh.10,000/= bribe. The complainant, who is a constructor, was being demanded to pay the amount in order to construct a building at Umoja Estate.

Misuse of office for personal gain by officials who are expected to provide services to the public deters development in various sectors. Some people continue to disregard with impunity the need to observe standards, dignity and integrity while providing services. The Commission will not condone such practices and will continue to protect the public's interest by taking all the necessary steps to curb this practice.

The three suspects, John Maina Gitau, Joseph Njoroge Wairimu and Kioko Musyoki will be taken to court to be charged with the offence.
