INQUIRY INTO ALLEGATIONS THAT MCA FOR UTALII WARD AND OTHER MCAS RECEIVED A BRIBE OF KSHS. 1 MILLION FROM A MEMBER OF THE EXECUTIVE REGARDING THE NAIROBI COUNTY AAR HEALTH INSURANCE

The Commission commenced investigations following a report from the former Governor of Nairobi that the MCAs who were members of the Labour and Social Welfare Committee had received a bribe of Kshs. 1 million from the AAR Health officials in order to influence their report regarding the said insurance. The said

former governor supplied the Commission with a DVD of an audio recording in which the said MCA and other unidentified voices were confirming having received Kshs. 1 million from AAR Health.

Investigations established that the AAR Health Insurance was awarded a contract for provision of medical cover to the staff of Nairobi City County in January 2018. Investigations further established that the Labour and Social Welfare Committee of the Nairobi County Assembly went for a retreat in May 2018 where they discussed matters of staff welfare. There was no indication that the AAR Health Insurance cover was part of the said discussions. Investigations further established that AAR had filed suit against a former MCA in Civil Suit No. 6872 of 2018 and that the said MCA was not present in the Mombasa Retreat in which it was alleged the bribe money was given. The audio clip supplied by the complainant could not be independently authenticated. Investigations into the said MCAs M-pesa did not yield anything suspicious.

On 23rd November 2021, a report was compiled and forwarded to the DPP recommending closure of the file for lack of sufficient evidence.

On 4th February 2022, the DPP returned the inquiry file accepting the Commission's recommendation for closure.
