## MESSAGE FROM THE CHAIRPERSON

The Constitution of Kenya, 2010 provided for the establishment of the Ethics and Anti-Corruption Commission pursuant to Article 79. The enactment of the EACC Act No. 22 of 2011 gave powers to EACC and the mandate to combat and prevent corruption, economic crime and unethical conduct in Kenya through law enforcement, prevention, public education, promotion of standards and practices of integrity, ethics and anti-corruption.

The Commission aligns its strategies to the national development priorities as set out in the Kenya Vision 2030, Medium Term Plan III 2018 - 2022 and the Big 4 Agenda, among other plans. The Commission's current strategic focus is on high impact investigations, asset tracing and recovery, corruption prevention and partnerships, with notable achievements realised in each area.

As part of asset recovery, the Commission handed over to the Government 39 title deeds for public property worth KES. 5.2 billion recovered from private individuals. The property, which included parcels of land belonging to various public institutions, for both National and County Governments, had been grabbed in collusion with public officials. The title deeds were handed over during a ceremony witnessed by His Excellency President Uhuru Kenyatta, CGH at State House, Nairobi on 4th April, 2022. The President also witnessed the ceremonial handover of KES. 450 million corruptly acquired funds repatriated to Kenya from Jersey.

The Commission contributed to the country's development and strengthening of the policy and legal anti-corruption framework by making recommendations for formulation and amendment of various laws and regulations, namely: the Anti-Corruption and Economic Crimes Act, 2003 (No. 3 of 2003); Leadership and Integrity Act, 2012 (No. 19 of 2012); Ethics and Anti-Corruption Commission Act, 2011 (No. 22 of 2011); Bribery Act, 2016 (No.47 of 2016); development of the Regulatory Framework under the Bribery Act, 2016 (No. 47 of 2016); development of the Conflict of Interest Bill, 2020; and development of the Lifestyle Audit Bill, 2019.

The Commission is committed to collaborating with national, regional and international players in the fight against corruption and promotion of moral and ethical standards. In this regard, the Commission had engagements with various state and non-state actors that were aimed at collaborating and partnering in the fight against corruption.

During the period under review, the Commission hosted the 14th Annual General Meeting of the Eastern Africa Association of Anti-Corruption Authorities (EAAACA) and the 6th Annual General Meeting of the Asset Recovery Inter-Agency Network for Eastern Africa (ARIN-EA). These regional fora provided an opportunity for the anti-corruption agencies to take stock of gains made in the fight against corruption, challenges encountered and way forward as they strive to eradicate corruption in the Eastern Africa region. One key resolution was to collaborate with the International Association of Anti-Corruption Authorities (IAACA) to build capacity of the regional anti-corruption authorities.

As my tenure at the Commission comes to an end in January 2023, I am satisfied with the milestones we have achieved as EACC in the fight against corruption. I register my appreciation for your unrelenting support in the fight, and look forward to greater gains by all partners, stakeholders and Kenyans of goodwill through individual and collective efforts to realize an ethical society.

**God bless EACC, God bless Kenya!**

**ETHICS AND ANTI-CORRUPTION COMMISSION**

## MESSAGE FROM THE SECRETARY/CHIEF EXECUTIVE OFFICER

The Ethics and Anti-Corruption Commission Annual Report and Financial Statement for the Financial Year 2021/2022 has been prepared pursuant to section 27 of the Ethics and Anti-Corruption Commission Act, (EACCA, 2011) and Section 45 of the Leadership and Integrity Act, (LIA, 2012). The EACC recognizes the continued support by the Government of Kenya for providing funds of KES.3,586,023,119 that enabled the Commission to implement programmes during the year under review.

The Commission completed 154 investigations on corruption and economic crime and the files forwarded to the Director of Public Prosecutions for review and action. In addition, 52 investigations on violation of Chapter Six of the Constitution of Kenya and Leadership and Integrity Act, 2012 were completed. Further, the Commission conducted 25 proactive investigations that resulted to averting loss of public funds estimated at KES. 4 billion. The Commission also traced 33 illegally acquired public assets with an estimated value of KES. 11.2 billion; recovered corruptly acquired assets valued at approximately KES. 940 million and filed 17 applications for preservation of assets with an estimated value of KES. 968 million. During the period, the Commission realized several high-level convictions with fines of up to 9.4 billion and custodial sentences of up to 24 years. Some of the convicts were barred from holding appointive and elective positions for a period of 10 years. Further, the unethical issues of public officers with fake academic qualifications were concluded in court where orders to refund salaries were granted.

The Commission finalised 22 systems examination reports which included: five reports under Universal Health Coverage Programme; two reports at The Judiciary; and 15 reports at National Youth Service. In addition, the Commission undertook and completed six reports in Corruption Risk Assessments (CRAs). The CRAs were conducted in Bungoma County Executive, County Assembly of Bungoma, Mombasa County Executive, County Assembly of Mombasa, Isiolo County Executive and County Assembly of Isiolo. The objective of systems examination and assessments is to entrench corruption prevention strategies in the public service. From the reports, it is noteworthy that the common finding across the institutions was inadequate operational policies and procedure manuals. The Commission emphasized on the importance of reviewing and implementing the manuals to seal corruption loopholes. Further, the Commission developed and disseminated guidelines on the implementation of the Corruption Prevention Indicator in the Performance Contracting during the 18th Cycle. The Commission also held a forum on the formulation of the procedures for the prevention of bribery and corruption, required under the Bribery Act, 2016.

In line with its mandate to raise public awareness, foster public support and build capacity of several sectors in the fight against corruption, the Commission reached 54 networks where 121,610 people were sensitized. Media education programmes were undertaken in 40 radio stations, 10 television stations and featured in 30 print articles. In addition, the Commission trained 1,002 members of Corruption Prevention Committees from 57 institutions and 995 Integrity Assurance Officers from 74 institutions. The Commission also conducted 104 general sensitization sessions reaching 9,528 participants and school outreach programmes in 304 institutions of learning.

The Commission, in conforming to its mandate to promote ethical standards and practices as provided under Chapter Six of the Constitution and related laws, received and processed 82 applications to operate bank accounts outside Kenya and received 85,228 submissions of the Self-Declaration Forms from the general public.

Section 11 (3) of the EACC Act, 2011 mandates the Commission to cooperate and collaborate with other State organs and agencies in the prevention and investigation of corruption. Further, Section 11 (6) (C) of the Act provides for the Commission to establish and maintain strategic linkages and partnerships with other stakeholders in the rule of law and other governance sectors. In view of the foregoing, the Commission maintained strategic linkages and partnerships with national, regional and international organisations to provide support, enhance coordination of an inclusive framework on the fight against corruption, and optimise on their respective capabilities and strengths. The Commission partnered with the European Union (EU); the United Nations Office on Drugs and Crime (UNODC); the US Embassy; the British High Commission; the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ); Faith Based Organizations; Media; Civil Society organizations; National Council on the Administration of Justice (NCAJ); and signed a Memorandum of Understanding with the Salaries and Remuneration Commission.

Finally, I call upon every Kenyan to join us in combating corruption and promoting ethical standards and practices, as it is a responsibility of every citizen.

# Chapter 1

## BACKGROUND

### 1. Introduction

The Ethics and Anti-Corruption Commission (EACC) is a statutory body established under the Ethics and Anti-Corruption Commission Act (EACCA), No. 22 of 2011 pursuant to Article 79 of the Constitution. This Annual Report is prepared pursuant to the provisions of Article 254 (1) of the Constitution, Section 27 of EACCA, 2011 and Section 45(1) of the Leadership and Integrity Act (LIA), No. 19 of 2012. The Financial Year 2021/22 Annual Report provides details of activities undertaken and achievements realized; information relevant to the enforcement of and compliance with the provisions of LIA; requisite statistical information; challenges encountered and audited financial statements of the Commission.

### 2. Mandate and Functions of the Commission

The Commission is mandated to combat and prevent corruption, economic crimes and unethical conduct through law enforcement, prevention, public education and promotion of ethical standards and practices. The mandate is derived from Articles 79 and 252 of the Constitution; the EACC Act, No. 22 of 2011; LIA, No. 19 of 2012; the Public Officer Ethics Act (POEA), No 4 of 2003; the Anti-Corruption and Economic Crimes Act (ACECA), No. 3 of 2003; and the Bribery Act, No. 47 of 2016, among other relevant laws. The functions of the Commission as derived from its mandate are to:

- a. Develop codes of ethics and promote standards and best practices in integrity and anti-corruption for State and Public Officers;
- b. Investigate and recommend to the Director of Public Prosecutions the prosecution of any acts of corruption, bribery, economic crimes or violation of codes of ethics;
- c. Oversee the enforcement of codes of ethics and recommend appropriate action to be taken against State Officers or Public Officers alleged to have engaged in unethical conduct;
- d. Advise, on its own initiative, any person on any matter within its functions;
- e. Raise public awareness on ethical issues and educate the public on the dangers of corruption and enlist and foster public support in combating corruption;

- f. Monitor practices and procedures of public bodies to detect corrupt practices and to secure the revision of methods of work or procedures that may be conducive to corrupt practices; and
- g. Institute and conduct proceedings in court for purposes of the recovery or protection of public property, or for the freezing or confiscation of proceeds of corruption or related to corruption, or the payment of compensation, or other punitive and disciplinary measures.

The subsequent chapters of the Report are organized as follows: Chapter Two outlines Law Enforcement; Chapter Three focuses on Prevention of Corruption and Unethical Practices; Chapter Four expounds on Partnerships and Networks while Chapter Five and Six presents audited Financial Statements and Staff Carloan and Morgage respectively of the Commission.

## Chapter 2

### LAW ENFORCEMENT

#### 1. Introduction

This chapter highlights achievements of the Commission under its enforcement mandate. The achievements are presented under various sections, namely: reports received and processed; status of investigations; proactive investigations; reports to the Director of Public Prosecutions; cases pending before court; cases finalized in court; illegally acquired and unexplained assets traced; civil proceedings; recovered assets; issuance of advisories, cautions and notices; integrity verification; and review of policy and legal framework.

#### 2. Reports Received and Processed

The Commission received and processed 5,048 reports out of which 1,916 reports were within the Commission’s mandate. Figure 2.1 shows the trend of reports received and processed over the last five years.

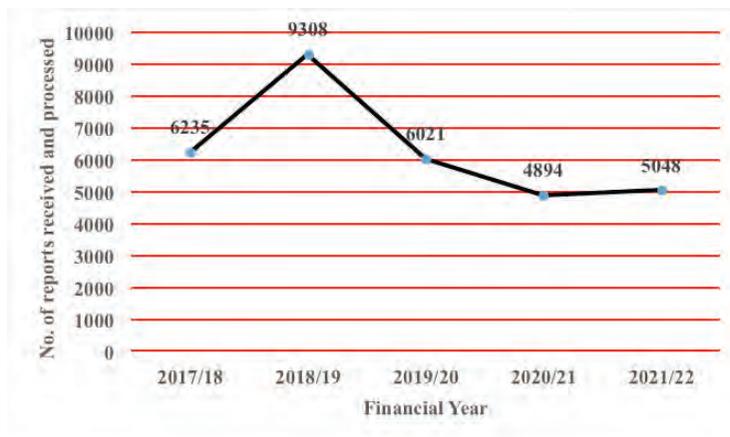

Figure 2.1: Trend of number of reports received and processed

The 5,048 reports received were processed as illustrated in Table 2.1.

#### 4.2. Integrity Testing

During the period under review, the Commission carried out 103 random and targeted integrity tests within public institutions, namely National Police Service (NPS), Anti-Counterfeit Agency (ACA), The Judiciary, Nairobi Metropolitan Services, Kenya Revenue Authority (KRA), State Department for Immigration and Citizen Services, Kenya Seed Company, Kisii Teaching & Referral Hospital, among others. Out of the 103 tests, 60 failed, 28 passed and 15 were inconclusive. For the officers who failed, the Commission recommended administrative action to the respective institutions.

#### 4.3. Investigation into Allegations of Bribery

The Commission carries out bribery investigations pursuant to the Bribery Act, 2016. In the period under review, 76 cases were completed out of which 24 were taken to court, 44 closed, and eight referred to other institutions. In addition, 123 bribery cases were under investigation.

## 5. Reports to the Director of Public Prosecutions

Under Section 35 of the Anti-Corruption and Economic Crimes Act No. 3 of 2003, the Commission is required to report the results of its investigations to the Director of Public Prosecutions (DPP). In the period under review, 154 case files on corruption, economic crimes and unethical conduct were submitted to the Office of the Director of Public Prosecutions (ODPP). Out of these, the Commission recommended 97 case files for prosecution, nine for administrative action and 48 for closure. Table 2.5 details the number of reports to ODPP and corresponding recommendation.

Out of the 26,536 individuals, the Commission provided information on 252 who were found to have contravened Chapter Six of the Constitution. The Commission also received 85,228 Self-Declaration Forms in compliance with Section 12 A of LIA, 2012.

### **13. Review of Policy and Legal Framework**

The Commission contributed to the development and strengthening of policy and legal anti-corruption framework in the country. The Commission made recommendations for formulation and amendments of the following laws and regulations:

#### ***13.1. Amendment of Anti-Corruption and Economic Crimes Act, 2003 (No.3 of 2003)***

The Commission proposed, through a Memorandum to Parliament, an amendment to the Anti-Corruption and Economic Crimes Act to harmonise its provisions with the functions of the Director of Public Prosecutions under Article 157 of the Constitution. The proposal sought to amend the Act to allow the Commission to seek court orders for State Officers under investigation or those charged with corruption or economic crimes be barred from accessing Office or exercising powers of the Office.

#### ***13.2. Leadership and Integrity Act, 2012 (No. 19 of 2012)***

The Commission, in collaboration with the Office of the Attorney General & Department of Justice (OAG&DoJ), proposed to Parliament amendment of Leadership and Integrity Act to allow EACC to verify the suitability of candidates applying to be appointed to a public entity, and make recommendation to the recruiting entity on the integrity suitability of the candidates. It also proposed to allow the High Court on application by any person, to declare the assumption of office by a State Officer to be invalidated for not committing to the Specific Leadership and Integrity Code.

#### ***13.3. The Ethics and Anti-Corruption Commission Act, 2011 (No. 22 of 2011)***

The Commission proposed, through a Memorandum to Parliament, amendment of the Ethics and Anti-Corruption Commission Act to require the presentation of its Annual Report within six months, from the current three months, to the end of the year to which it relates.

#### ***13.4. Amendment of the Bribery Act, 2016 (No. 47 of 2016)***

The Commission, in collaboration with the OAG&DoJ, proposed to Parliament amendment of the Bribery Act, 2016 to include both private and public entities in the scope of the application of the Act and to make other miscellaneous amendments in Sections 1, 4 and 10.

#### ***13.5. Development of Model Procedures for Prevention of Corruption and Bribery***

The Commission embarked on the development of model procedures for prevention of corruption and bribery in public and private sector, pursuant to Section 9 of the Bribery Act 2016.

## Chapter 3

# PREVENTION OF CORRUPTION AND UNETHICAL PRACTICES

### 1. Introduction

This Chapter presents programmes implemented by the Commission during the Financial Year 2021-2022 pursuant to its preventive mandate. The programmes include: systems reviews; corruption prevention advisories; monitoring the implementation of prevention intervention; implementation of Chapter Six of the Constitution and related laws; research; as well as public education and awareness.

### 2. Systems Review

The aim of Systems Review as a strategy for prevention of corruption is to bring about changes in the systems by which organizations operate, in order to minimize opportunities for corruption. The Commission reviews systems of organizations through Examinations and Corruption Risk Assessments (CRAs).

#### 2.1. Examinations

The Commission finalized 22 examination reports covering systems, policies, procedures and practices. These included five reports under Universal Health Coverage (UHC) Programme; two reports at the Judiciary; and 15 reports at National Youth Service (NYS). Some of the findings and recommendations contained in the examination reports are presented in Table 3.1.

### 3. Corruption Prevention Advisories

The Commission provides advisories to institutions and individuals on prevention of bribery and corruption pursuant to Section 11 (1) (g) of the Ethics and Anti-Corruption Commission (EACC) Act, 2011 and Section 9 of the Bribery Act, 2016. During the period under review, the Commission provided advisories on the Public Service Performance Contracting Framework, on prevention of bribery and corruption under the Bribery Act, 2016 and the formulation of Corruption Prevention Guidelines and Procedures.

#### 3.1. *Advisories under the Public Service Performance Contracting Framework*

The Commission partnered with the Public Service Performance Management and Monitoring Unit (PSPMMU) in the Ministry of Public Service, Gender, Senior Citizen Affairs and Special Programmes to oversee the implementation of corruption prevention indicator activities in the Performance Contracts that Ministries, Departments and Agencies (MDAs) signed with the National Government.

During the reporting period, the Commission analyzed 1,103 quarterly reports submitted by MDAs under the Corruption Prevention Criteria in the Performance Contract. The reports were reviewed based on the guidelines provided and each MDA was provided with feedback on progress made. The Commission also evaluated performance of each of the MDAs that signed Performance Contracts during the financial year 2021/2022, and submitted a report to the PSPMMU.

#### 3.2. *Advisories on Prevention of Bribery and Corruption*

Section 9 (1) of the Bribery Act, 2016 makes it mandatory for public and private entities to put in place procedures appropriate to their size and scale for the prevention of bribery and corruption. The Act also requires the Commission to assist private entities, public entities, and any interested person, to develop and put in place procedures for prevention of bribery and corruption. In view of this, the Commission advised 78 MDAs on the Bribery Act. Some of the MDAs which were advised included: The University of Nairobi; Kenya Electricity Generating Company; Ministry of Sports, Culture and the Arts; Ministry of Defence; Ministry

of ICT, Innovation and the Youth; State Department for Co-operatives; State Department for Industrialization; State Department for Wildlife; Bomas of Kenya; Privatization Commission; Agricultural Finance Corporation; Kenya Urban Roads Authority; Anti-Counterfeit Agency; Technical and Vocational Education and Training Authority (TVETA); Capital Markets Authority; Teachers Service Commission; Multi-Media University; and Kenya Power and Lighting Company.

### **3.3. Corruption Prevention Guidelines**

The Commission developed and disseminated guidelines on the implementation of the Corruption Prevention Indicator in the Performance Contract during the 18<sup>th</sup> Cycle (FY 2021/2022).

## **4. Monitoring the Implementation of Prevention Interventions**

During the period under review, the Commission monitored the implementation of systems review recommendations and advisories issued to various institutions.

### **4.1. Systems Review Recommendations**

The Commission monitored the implementation of systems review recommendations at the Ministry of Environment and Forestry, County Assembly of Kisumu, Nyeri County Executive and County Assembly of Nyeri. The institutions are at different levels of implementing the recommendations.

### **4.2. Advisories**

The Commission monitored the implementation of the Corruption Prevention Indicator under the Performance Contracting (PC) framework in 86 MDAs. The monitoring revealed that the implementation of the indicator is affected by: lack of budgetary provision for corruption prevention activities; lack of trained Integrity Assurance Officers (IAOs); poorly constituted Corruption Prevention Committees (CPCs); and delegating the entire responsibility for implementing the Indicator to an individual officer within an institution. The MDAs were advised to strengthen their corruption prevention framework.

### **4.3. Sectoral Corruption Prevention Fora**

During the period under review, the Commission held a corruption prevention forum on the implementation of the Corruption Prevention Indicator during the 18<sup>th</sup> Cycle (FY 2021/2022) Performance Contracting period. The Commission also held a forum on the formulation of the procedures for the prevention of bribery and corruption, required under the Bribery Act, 2016.

## **5. Implementation of Chapter Six of the Constitution and Related Laws**

To promote leadership and integrity, the Commission undertook a number of strategic initiatives. These included: Development of Leadership and Integrity

Codes for State Officers; publication of Specific Leadership and Integrity Codes; commitment to the Leadership and Integrity Codes; development of Codes of Conduct and Ethics for Public Officers; regulation of bank accounts outside Kenya; oversight in the management of Declaration of Income, Assets and Liabilities (DIALs); automation of processes for compliance with Chapter Six of the Constitution, LIA and POEA; and capacity building on implementation of Chapter Six of the Constitution.

### **5.1. Development of Leadership and Integrity Codes for State Officers**

Section 37 of the Leadership and Integrity Act, 2012 requires each public entity with State Officers to develop a Specific Leadership and Integrity Code for the State Officers serving in that entity. The specific codes developed are to be submitted to the Commission for approval, in accordance with Section 39 of LIA. During the period under review, the Commission approved two Leadership and Integrity Codes for County Executive of Bungoma and County Assembly of Isiolo.

### **5.2. Publication of Specific Leadership and Integrity Codes in the Kenya Gazette**

Pursuant to Section 39 (4) of LIA, 2012, public entities with State Officers are further required to publish the Codes approved by EACC in the Kenya Gazette within 90 days of receipt of approval. During the period, the Commission facilitated the publication of approved Codes in the Kenya Gazette by 21 public entities. These public entities are: Commission on Revenue Allocation; Independent Electoral and Boundaries Commission; Teachers Service Commission; Parliamentary Service Commission; Office of Registrar of Political Parties; The Judiciary; Ministry of Information, Communication and Technology; County Assembly of Bomet; County Assembly of Kirinyaga; County Assembly of Makueni; County Assembly of Mandera; County Assembly of Nakuru; County Assembly of Nyamira; County Assembly of Samburu; County Executive Committee of Wajir; County Executive Committee of Samburu; County Executive Committee of Mombasa; County Executive Committee of Migori; County Executive Committee of Mandera; County Executive Committee of Laikipia; and County Executive Committee of Kisumu.

### **5.3 Commitment to the Leadership and Integrity Codes**

Section 40 of LIA, provides that a newly appointed or elected State Officer is, at the time of taking oath of office or within seven days of assuming State Office, to sign and commit to the Specific Leadership and Integrity Code. In the period under review, 87 State Officers signed and committed to their Specific Leadership and Integrity Codes as summarized in the Table 3.4.

**Table 3.4: Signing of Leadership and Integrity Codes by State Officers**

Institution	Designation of State Officer	No. of Officers
Teachers Service Commission	Commission Members	5
County Government of Nyamira	Deputy Governor	1
Independent Electoral and Boundaries Commission	Commission Members	4
Ethics and Anti-Corruption Commission	Commission Members	2
Nairobi City County Government	Governor	1

	Principal Secretaries	3
The Judiciary	Resident Magistrates	64
Salaries and Remuneration Commission	Commission Member	1
Kenya National Commission on Human Rights	Commission Members	5
<b>Total</b>		<b>87</b>

#### 5.4. *Development of Codes of Conduct and Ethics for Public Officers*

The Commission provided technical support to various public entities in developing and implementing Codes of Conduct and Ethics for their respective Public Officers. This was aimed at aligning the Codes to Section 52 of the Leadership and Integrity Act, 2012. During the period under review, the Commission supported 13 public entities to develop Codes. These included the Judiciary, Commission on Revenue Allocation, Kenya Institute of Special Education, County Public Service Board of Bungoma, County Assembly of Samburu, County Assembly of Kisumu, National Cohesion and Integration Commission, Kenya Forest Service, Kenya Safari Hotel and Lodges Ltd, Kenya Association of Record Managers and Archivists, Kenya Wildlife Service, University Fund and Kenyatta National Hospital.

#### 5.5. *Regulation of Bank Accounts outside Kenya for State and Public Officers*

The Commission is mandated to oversee and enforce implementation of Section 19 of LIA, 2012 as read with Rule 14 of the Leadership and Integrity Regulations, 2015. These provisions seek to ensure that a State or Public Officer seeks approval from the Commission to open or continue to operate bank accounts held outside the country, and also notify the Commission on closure. During the period under review, the Commission approved 82 applications to open and operate bank accounts outside Kenya and also processed 15 notifications for closure of approved bank accounts. In addition, seven applications were rejected for failure to meet the requirements as set out in Rule 14 of the Leadership and Integrity Regulations, 2015.

### **5.6. Oversight in the Management of Declaration of Income, Assets and Liabilities**

The Commission has the oversight mandate in the implementation of Part IV of Public Officer Ethics Act (POEA), 2003 on Declaration of Income, Assets and Liabilities (DIALs). Section 33 (1) and (2) of POEA requires each Responsible Commission to develop and subsequently publish the administrative procedures in the Kenya Gazette. During the reporting period, the Commission facilitated the development and subsequent publication of administrative procedures on DIALs for 10 Responsible Commissions. These were: County Public Service Board of Makueni; County Public Service Board of Tharaka Nithi; County Assembly Service Board of Isiolo; County Assembly Service Board of Samburu; County Assembly Service Board of Kiambu; County Assembly Service Board of Kisumu; Powers and Privileges Committee of Kiambu County Assembly; Powers and Privileges Committee of Isiolo County Assembly; Powers and Privileges Committee of Siaya County Assembly; and Powers and Privileges Committee of Kisumu County Assembly.

### **5.7. Automation of Processes for Compliance with Chapter Six of the Constitution, LIA and POEA**

The Commission on a pilot basis, launched the module for the online submissions of Self-Declaration Forms for the general public as required under Section 12 A and 13 (2) of LIA, 2012, and the module on Declaration of Income, Assets and Liabilities (DIALs) for EACC staff. The Commission received 1,937 submissions of the Self-Declaration Forms from the general public and 126 online submissions of the DIALs forms from staff of EACC. The Commission also received and processed 28 applications to operate bank account outside Kenya as required under Section 19 of LIA, 2012 through the bank account application module.

### **5.8. Capacity Building on Implementation of Chapter Six of the Constitution**

The Commission implemented integrity compliance capacity building programmes on Chapter Six of the Constitution and related integrity laws targeting State and Public Officers. A total of 3,164 Public Officers from 30 public entities were trained. Further, the Commission disseminated information on leadership and integrity through lectures in 55 public institutions reaching 3,846 Public Officers.

## **6. Public Education and Awareness Programmes**

The Commission is mandated to conduct public education, training and awareness creation on matters ethics and anti-corruption to enlist public support in the fight against corruption. To achieve this, the Commission undertook several programmes, namely: public outreach to targeted community and professional networks; general sensitization; media education; development and dissemination of Information, Education and Communication materials; training of Corruption Prevention Committees; and mainstreaming integrity in institutions of learning.

### **6.1. Public Outreach Programmes to Targeted Community and Professional Networks**

The targeted community and professional networks sensitized in the year under review included Nursing Council of Kenya, Law Society of Kenya, Kenya Medical Practitioners and Dentists Board, Kenya Institute of Supplies Management, National Police Service, Non-Governmental Organizations, Civil Society Organizations, Faith Based Organizations, Boda Boda Associations and outreaches in open air markets in Nyeri, Nyandarua, Taita Taveta and Migori Counties, among others. The Commission also conducted targeted outreach preceding the commemoration of the International Anti-Corruption Day (IACD) 2021 in Mombasa and Isiolo Counties. Fifty-four networks were reached and 121,610 people sensitized.

*EACC Officers sensitizing members of public during the commemoration of International Anti-Corruption Day 2021 in Isiolo County.*

### **6.2. General Sensitization**

The Commission conducted general sensitization workshops targeting Government Ministries, Departments and Agencies (MDAs) as well as County Governments. Members of the public were also reached through integrity sensitization. The Commission conducted 104 general sensitization where 9,528 participants were sensitized. In addition, the Commission carried out proactive sensitizations at targeted hotspots to staff at weighbridges in Webuye, Suswa, Gilgil, Isinya, Mlolongo, Mariakani and Ruiru. The Commission also sensitized Namanga Border Point residents, senior National Police Service Officers from Kisumu County and staff at various Huduma Centres among others. A total of 4,891 people were sensitized.

### **6.3. Media Education Programmes**

Media education awareness programmes were implemented through print, electronic, and audio - visual media. Over 40 radio stations and 10 television stations countrywide, with guest appearances, were engaged to educate members of the public and enlist their support in the fight against corruption. Thirty print articles featured in various print media outlets and the Commission's website.

### **6.4. Development and Dissemination of Information, Education and Communication Materials**

The Commission developed and disseminated assorted Information, Education and Communication (IEC) materials as a strategy for creating awareness and deepening understanding on anti-corruption matters. Fifteen types of IEC materials including wall calendars, short online videos, electronic banners, E-cards, reflector jackets and T-shirts among others were developed. In total 54,496 assorted IEC materials were developed, printed and disseminated.

*An EACC Officer disseminating IEC materials to members of public during a public outreach in Namanga, Kajiado County.*

### **6.5. Training of Corruption Prevention Committees**

The Commission implemented Corruption Prevention Committees (CPCs) training programme under the Performance Contracting (PC) framework on eradication of corruption. A total of 1,002 CPC members drawn from 57 institutions were trained. The institutions included Kenya Film Classification Board, County Assembly of Makueni, Retirement Benefits Authority, Technical University of

Mombasa, Tharaka Technical and Vocational College, Baringo Technical College, Keroka Technical Training Institute, Media Council of Kenya, Kenya Law Reform Commission, Kimasian Technical College, Bomet University College, Kenya Revenue Authority, Koitalel Samoei University College, Kenya Pipeline Company and Nyeri National Polytechnic, among others.

### 6.6. *Mainstreaming Integrity in Institutions of Learning*

The Commission undertook School Outreach Programmes, aimed at inculcating values amongst learners and sensitizing learners and their teachers on matters ethics, integrity and anti-corruption. The programmes involved delivery of integrity talks to learners, management and staff of various institutions, training of student leaders, establishment and follow-up of integrity clubs. In addition, the Commission sensitized youths countrywide in colleges, tertiary institutions and the universities on their electoral roles with the message *‘Chagua Viongozi Waadilifu, Kenya Istawi’*. In total, 178,550 learners in 304 institutions of learning were sensitized.

The Commission also trained Teachers Service Commission Regional and County Directors of Education from the 47 counties, Integrity Club patrons drawn from Nairobi, Upper Eastern Region, Lower Eastern Region, Western Region and South Nyanza Region. A total of 908 officers were trained.

*An EACC Officer sensitizing college students on their electoral roles during an outreach programme for tertiary institutions and universities.*

## 7. **National Integrity Academy**

The National Integrity Academy (NIAca) developed the NIAca Policy to support the delivery of its mandate. The Academy reviewed and harmonized EACC training content and developed new curriculum for new programmes. The new courses target officers working in the devolved sector.

The Academy engaged with Institute of Internal Auditors, Association of Chartered Certified Accountants (ACCA), Kenya Institute of Supplies Management (KISM) and Institute of Human Resource Management (IHRM) to develop MoUs to cement partnership programmes. The aim of the partnership is to mainstream ethics and integrity in Continuous Professional Development (CPD) training by professional bodies.

The Academy trained over 995 Integrity Assurance Officers (IAOs) drawn from 74 institutions comprising MDAs, Constitutional Commissions and Independent Offices, Law Enforcement Agencies, County Government, among others. In addition, 25 senior officers drawn from Lake Victoria South Water Works Development Authority and Turkana University College Council undertook the Leadership and Integrity Course. In collaboration with KISM, the Academy organized a CPD workshop for 130 supply chain professionals.

## **8. Corruption and Unethical Conduct in the Kenya Health Care Projects: A Study of Procurement and Financial Management Practices**

The Commission in conjunction with the United Nations Office on Drugs and Crime (UNODC) undertook a study to assess the extent of corruption and unethical conduct in the Health Sector focusing on procurement and financial management in health care projects. The study sample comprised 25 Counties wherein 1,280 health care staff, 500 members of the public, 150 contractors and 56 key informants

drawn from County Health and Finance Departments. As contained in the findings of the study:

- i. Eighty-six percent of health staff and 80.6 percent of members of the public acknowledged the prevalence of corruption and unethical conduct in the health sector;
- ii. Forty-five percent of contractors involved in health projects indicated that it is common for them to pay some irregular payments or gifts to get things done. In addition, 30.6 percent knew in advance what was to be offered as an irregular payment or gifts;
- iii. Bribery was cited as prevalent in every phase of procurement and financial management of health care projects. Project initiation stage attracted the highest instances of bribery as indicated by health staff (32.7%), followed by award of tenders (26.5%) and implementation of project (22.4%);
- iv. The average bribe paid in health care projects was approximately KES. 396,000. The highest amount of bribe paid was KES. 3,000,000 and the lowest amount of bribe paid was KES. 5,000. Twenty-three percent of contractors indicated that they gave 1-10%, eight percent gave 11-20% while three percent gave 21-50% of their revenue as unofficial payment;
- v. Thirteen percent of healthcare staff indicated that there were instances of undue influence by external actors in procurement processes of health projects. The healthcare staff indicated that procurement processes were most influenced by Governors (20.8%), followed by MCAs (17.2%) and MPs (8.1%). Half of the members of public (49.7%) indicated that award of contracts were not fair and transparent; and
- vi. Eighteen percent of contractors indicated that they were aware of companies owned by Public Officers that were undertaking health care projects. The cadre of Public Officers that mostly owned companies that sought procurement opportunities in health care projects were MCAs (10.8%), Chief Officers (10.8%) and County Executive Committee Members for Health (9.8%).

The study recommends a number of measures to help reduce instances of corruption and unethical conduct in health care projects. The study recommends: that Public Officers' should comply with Laws, Regulations and Codes of Conduct; the need to enhance competition in the tendering processes; contractors to be investigated and those found culpable be debarred from participating in future procurement; the need for proper planning, prioritization and execution of projects; the need for enhanced public participation in projects implementations; payments to contractors

during and after projects completion be prompt; that more budgetary resources be allocated to the Health Sector; and that funds are disbursed to Procuring Entities in time.

## **9. An Assessment on the Implementation of Chapter Six of the Constitution and Related Integrity Laws**

The Commission is mandated to exercise oversight on the implementation and enforcement of the leadership and integrity requirements for Public Officers. The Commission undertook an assessment to establish the level of compliance with Chapter Six of the Constitution and other related integrity laws by Responsible Commissions and other public entities. The Assessment informed the Commission of the necessary interventions to support Responsible Commissions and other public entities in complying with the integrity laws. The study sample comprised 1,005 Public Officers from National Government; 960 County Government employees; 184 State Officers; and 1,062 members of the public. As contained in the findings of the study:

- i. About 58.7 percent of Responsible Commissions indicated that they had developed Administrative Procedures on DIALs while 37 percent had not developed the procedures. On compliance with POEA and POE Regulations, 54.3 percent of Responsible Commissions interviewed indicated that they analyzed, evaluated, inspected and verified the accuracy of the income, assets and liabilities of declarations forms while 45.7 percent did not;
- ii. About 42.6 percent of Public Officers interviewed indicated that their institutions had opened a Gift Register, 34.9 percent said that their institutions had not opened the Register while 21.5 percent did not know if their institutions had opened the Register. Out of the Public Officers interviewed, 18 percent had received gifts out of which 5.8 percent declared their gifts while 10 percent did not declare their gifts. Majority of Public Officers (84.3%) did not respond to whether they declared their gifts or not;
- iii. Forty percent of Public Officers indicated that their institutions had a Conflict of Interest Register, 31.2 percent said that their institutions had not opened the Register while 28.1 percent did not know if their institutions had opened the Register. Common areas of conflict of interest that were identified by Public Officers included: procurement processes, recruitment, promotion and training opportunities;
- iv. Five percent of Public Officers held bank accounts outside Kenya. Half of the accounts held were to facilitate studies abroad and 25.3 percent were for payment of foreign services. About 62 percent of those with bank accounts outside Kenya did not seek approval from EACC to operate the accounts while 49.4 percent did not submit bank statements annually;

- v. Majority of Public Officers stated that their public institutions maintained an Asset Register. In addition, 93 percent of Accounting Officers conducted periodic inventory verification;
- vi. Fifteen percent of Public Officers indicated that they were aware of allegations of sexual harassment in their institutions. There were 73.6 percent of Public Officers who stated that their institution's policy on sexual harassment had clear timelines within which a reported sexual harassment incidences are to be resolved, while 26.4 percent indicated non-existence of such timelines;
- vii. About 19.5 percent of Public Officers interviewed indicated that some form of public collections occurred in their institutions as compared to 25.7 percent of members of public who stated that Public Officers ask for contributions from them. Most public collections in public institutions were to cater for funeral expenses. This is despite the Public Officers indicating the existence of staff welfare associations in their institutions;
- viii. Most public institutions with State Officers indicated that they had Specific Leadership and Integrity Codes for their State Officers except IEBC, Makueni and Tana River County Assembly Service Boards. Twelve institutions with State Officers did not indicate whether or not they have Specific Codes. On Code of Conduct for Public Officers, 71 percent of Public Officers interviewed indicated that their institutions had developed the Codes, 9.9 percent had not, six percent did not know while 13.1 percent did not respond; and
- ix. Out of the Public Officers interviewed, 2.2 percent held citizenship of another country out of which 34 percent had not renounced the other country's citizenship.

The study recommends the need to: automate application for bank accounts outside Kenya; facilitate institutions to develop care of property policy and registers; undertake validation of DIALs forms; increase access to DIALs forms; harmonize action against non-declaration; develop Administrative Procedures on DIALs; automate DIALs filing; sensitize Public Officers on management of gifts and benefits in kind; develop procedures/legislation on conflict of interest during employment; deal with incidences of sexual harassment firmly; and harmonize management of Codes of Conduct.

## Chapter 4

# PARTNERSHIPS AND NETWORKS

### 1 Introduction

The Ethics and Anti-Corruption Commission Act, 2011 provides for involvement of partners in the implementation of the Commission's mandate. Section 11 (3) states that the Commission may cooperate and collaborate with other state organs and agencies in the prevention, investigation and prosecution of corruption. Further, Section 11 (6) (c) states that the Commission should establish and maintain strategic linkages and partnerships with other stakeholders in the rule of law and other governance sectors.

The Commission established and maintained strategic linkages and partnerships with national, regional and international organizations to enhance the fight against corruption and unethical conduct and optimize on their respective capabilities and strengths. This chapter presents national, regional and international engagements that the Commission pursued.

### 2. National Engagements

The Commission supported the Kenya Leadership Integrity Forum (KLIF) and partnered with Justice Sector, Salaries and Remuneration Commission, Development Partners, Faith Based Organizations, Media and Civil Society.

#### 2.1. Kenya Leadership Integrity Forum

Kenya Leadership Integrity Forum (KLIF) is a platform that brings together stakeholders to provide a collective and collaborative framework for a multi-sectoral and citizen driven initiative against corruption. KLIF comprises state and non-state actors categorized in 20 sectors, namely: Executive; Legislature; Judiciary; County Governments; Labour; Anti-Corruption Agencies; Enforcement; Watchdog Agencies; Media Sector; Private Sector; Professional Bodies; Education; Civil Society; Religious Organizations; Constitutional Commissions; Development Partners; Transport Sector; Regional and Sub-Regional Bodies; Regulatory Boards; and Financial Services Sector.

The Commission supported KLIF in the following areas:

1. Implementation and monitoring of the Kenya Integrity Plan (KIP) 2019 - 2023 by stakeholders.
2. Virtual commemoration of the 5<sup>th</sup> edition of the African Anti-Corruption day on 11th July 2021 under the theme '*Regional Economic Communities: Critical Actors in The Implementation of the African Union Convention on*

*Preventing and Combating Corruption*'. The day provided an opportunity to highlight the importance of synergies and stronger collaboration between the African Union, the Regional Economic Communities (RECs) and all anti-corruption stakeholders in the fight against corruption in the African continent as espoused by the African Union Convention on Preventing and Combating Corruption (AUCPCC).

3. Commemoration of International Anti-Corruption Day (IACD) on 9th December 2021 under the theme *'Your Right, Your Role: Say No to Corruption'*. The commemoration sought to articulate everyone's role and responsibility in the fight against corruption. The commemoration activities were held in Mombasa and Isiolo Counties.

*Flagging off the caravan in Mombasa County during the International Anti-Corruption Day Commemoration.*

## **2.2. Partnership within the Justice Sector**

The Commission, with support from the International Development Law Organization (IDLO) Kenya, organized a five-day conference whose theme was *'Strengthening Stakeholder Collaboration within the Justice Sector towards Combating Corruption and Economic Crimes'*. The conference brought together participants drawn from institutions constituting the Multi-Agency Team (MAT) on corruption and economic crimes, the National Council on Administrative Justice (NCAJ), representatives of the Private Sector, County Governments, Parliament and Civil Society to enhance synergy in fighting corruption.

## **2.3. Partnership with the Salaries and Remuneration Commission**

The Commission signed a Memorandum of Understanding (MoU) with the Salaries and Remuneration Commission (SRC). The MoU focuses on areas such as cooperation and partnership in investigations and enhancing accountability in the conduct of both State and Public Officers.

*SRC Chairperson Mrs. Lyn Cherop Mengich (centre), EACC Chairperson Archbishop (Emeritus) Dr. Eliud Wabukala (right) and SRC CEO Ms. Anne R. Gitau, MBS (left) after signing the Memorandum of Understanding at Integrity Centre.*

#### **2.4. Partnership with Development Partners**

The Commission partnered with GIZ under their Good Governance Programme to implement key projects aligned to the mandate of the Commission over a period of three years. During the period under review, GIZ supported review of the Corruption Prevention Committee Guidelines, training manuals for the County Governments and mentorship sessions in asset recovery for the Commission's Regional Offices.

The Commission pursued partnership with the European Union/United Nations Office on Drugs and Crime (EU/UNODC) under their Programme for Legal Empowerment and Aid Delivery in Kenya, Phase II (PLEAD II) to enhance the capacity of key agencies in the fight against corruption. The Commission was also supported by UNODC to undertake a study on corruption and unethical conduct, focusing on procurement and financial management in healthcare projects. Further, the Commission engaged the United States of America's Federal Bureau of Investigations (FBI), through the US Embassy in Nairobi, and the National Crime Agency (NCA) of the United Kingdom, through the British High Commission in Nairobi, to enhance the technical capacities of the Commission's investigations.

#### **2.5. Partnerships with Other Sectors**

The Commission participated in the Constitutional Commissions and Independent Offices (CCIO) Tenth Year Anniversary Celebration at KICC on 13<sup>th</sup> April, 2022. The event brought together Chairpersons of Constitutional Commissions and Independent Offices under the theme '*Celebrating a Decade of Promoting*

*Constitutionalism and Observance of Democratic Values and Principles*'. Further, the Commission engaged the Kenya Medical Training College (KMTC) to explore potential areas of collaboration in matters related to training on ethics, corruption prevention and compliance with Chapter Six of the Constitution.

The Commission also collaborated with other non-state actors. In this regard, EACC held meetings with the National Council of Churches of Kenya (NCCCK), Transparency International-Kenya and the Good News Broadcasting System (GBS) TV to enhance the fight against corruption.

### 3. Regional Engagements

The Commission hosted the 14<sup>th</sup> Annual General Meeting of the Eastern Africa Association of Anti-Corruption Authorities (EAAACA) and 6<sup>th</sup> Annual General Meeting of the Asset Recovery Inter-Agency Network (ARIN-EA) from 14<sup>th</sup> to 17<sup>th</sup> March, 2022. The meeting whose theme was *'Fighting Corruption Post COVID-19 Pandemic'* provided an opportunity for participants to reflect on the progress made, challenges encountered and lessons learnt while fighting corruption in the region.

*The Chief Justice and President of the Supreme Court of Kenya - Hon. Justice Martha Koome, EGH (seated centre) with EACC Commissioners and CEO, EAAACA President, EAAACA Ag. General Secretary, ARIN-EA Focal Persons and other participants during the opening ceremony for the EAAACA AGM.*

The Commission also hosted the Agency for Prevention and the Fight Against Corruption (APLC) of the Democratic Republic of Congo who were in the country on a benchmarking visit to share experiences and best practices for combating and preventing corruption.

#### 4. International Engagements

The Commonwealth Secretariat visited the Commission to discuss good governance, integrity, accountability and peace as Kenya prepared for the 2022 General Election. In addition, the Commission hosted Political Science students and faculty leaders from the University of Alabama at Birmingham, USA who were on a study visit to Kenya with an interest in the Commission's work.

The Commission was also represented at the following international fora:

- i. The 22nd Executive Committee meeting of the Eastern Africa Association of Anti-Corruption Authorities (EAAACA) in Addis Ababa, Ethiopia from 14th to 16th February, 2022. The meeting deliberated on the progress made in the implementation of EAAACA's Strategic Plan, challenges and way forward in the fight against corruption in Eastern Africa.
- ii. The 12th Regional Conference of Heads of Anti-Corruption Agencies in Commonwealth Africa in Kigali, Rwanda from 3rd to 6th May, 2022. The theme of the meeting was '*Combating Corruption for Good Governance and Sustainable Development in Africa*'.
- iii. The 8th International Conference organized by the African Forum of General State Inspectorate and Assimilated Institutions (FIGE) and the Office of the State Inspector General of the Republic of Djibouti in Djibouti City, from 7th to 9th June, 2022. The theme was '*The Performance of Public Organizations: A Major Challenge for Higher Institutions of Control*'.
- iv. The 4th Meeting of the Global Network of Law Enforcement Practitioners Against Transnational Bribery sponsored by the Organization for Economic Co-operation and Development (OECD) in Paris, France on 14th June, 2022.
- v. The 5th Annual General Meeting of the Africa Association of Anti-Corruption Authorities (AAACA) in Bujumbura, Burundi from 20th to 22nd June, 2022. The theme of the meeting was '*Protecting Africa's Wealth: Combating Corruption and Illicit Financial Flows*'. The meeting focussed on the activities of the association, strategic partnerships, challenges and way forward.
- vi. The 10th Meeting of the Pilot Group organized by the European Anti-Fraud Office (OLAF) with the support of the European Commission's Directorate General for International Partnerships (DG INTPA) and sponsored by the European Commission in Brussels, Belgium from 27th to 28th June, 2022.
- vii. The 4th International Collective Action Conference entitled '*Mainstreaming Collective Action for fair and sustainable business*' organized by the Basel Institute on Governance, Switzerland from 30th June to 1st July, 2022.

## 5. Corporate Social Responsibility

The Commission staff planted 1,000 trees at Karura Forest Reserve's Sigiria Block. The portion of land rehabilitated by the Commission was part of a recovered parcel that had been irregularly allocated to unscrupulous developers. The path leading to the site where the trees were planted was renamed 'Maadili Track' in recognition of EACC's efforts to conserve the forest. The Commission also donated seven benches where Karura Forest visitors can take a rest.

The Commission staff donated foodstuff and other sundry items to House of Charity, a children's home in Nairobi that caters for children between the ages of zero and three years, who are either orphaned or abandoned.

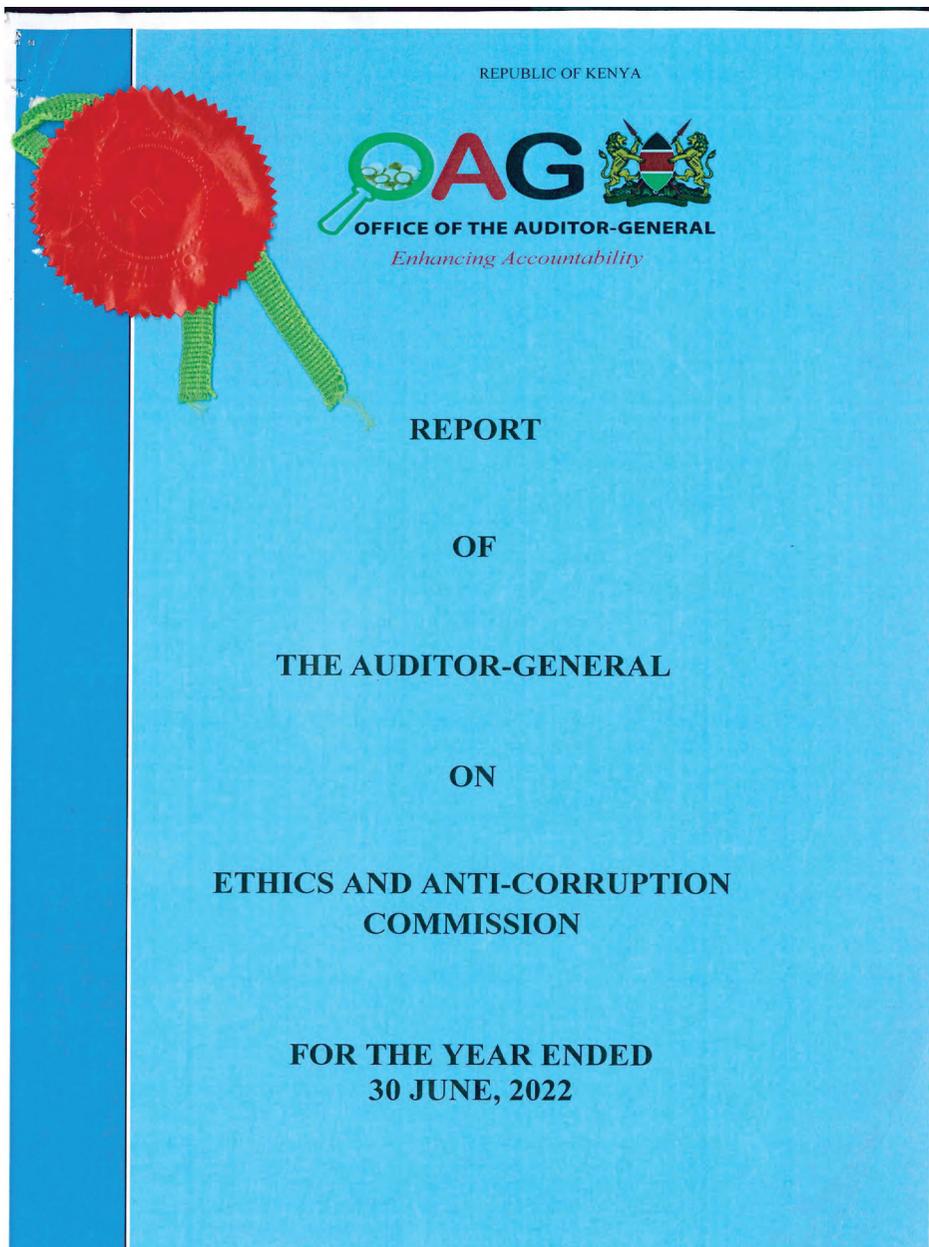

*EACC staff representatives donating foodstuff and sundry items to House of Charity Children's Home.*

## 1. KEY ENTITY INFORMATION AND MANAGEMENT

### (a) Background information

The Ethics and Anti-Corruption Commission (EACC) was established under the Ethics and Anti-Corruption Act on 27<sup>th</sup> August, 2011. The Entity is domiciled in Kenya and has branches in the regions of Bungoma, Eldoret, Garissa, Isiolo, Kisii, Kisumu, Machakos, Malindi, Mombasa, Nakuru, and Nyeri.

The EACC is structured in an elaborate framework for performance of functions enumerated in the EACC Act, 2011. The Chairperson of Commission leads a team of Commissioners who are in charge of Policy, Oversight and Strategy. The Commission Secretary who is also the Chief Executive Officer leads the secretariat. The secretariat functions are cascaded in the Directorates of: Investigations; Legal Services and Asset recovery; Ethics and Leadership; Preventives Services; Corporate Services; Finance and Planning; and Field Services and Coordination. The Directorates are headed by respective Directors.

### (b) Principal Activities

The principal mandate of the EACC is to combat and prevent corruption, economic crimes and unethical conduct through Law Enforcement, Prevention, Public Education and Promotion of Ethical Standards and Practices. This mandate is derived from Articles 79 and 252 of the Constitution; the EACC Act, No.22 of 2011; the Leadership and Integrity Act (LIA) Act No.19 of 2012; Public Officers Ethics Act, No. 4 of 2003; Anti-Corruption and Economics Crimes Act No. 4 of 2003; and the Bribery Act, No.47 of 2016 among other relevant laws and legislation.

**Vision :** An Integrity Driven Kenyan Society.

**Mission:** To promote integrity and combat corruption through law enforcement, prevention and education.

**Core Objectives:** enumerated in EACC Strategic Plan (2018-2023) are: Policy, Legal and Regulatory Framework; Enforcement; Prevention and Public Awareness; and Institutional Capacity.

**Functions:** Develop codes of ethics and promotion of standards and best practices in integrity and anti-corruption for State and public offices; investigate and recommend to the Director of Public Prosecutions the prosecution of any

acts of corruption, bribery, economic crimes or violation of codes of ethics; oversee the enforcement of codes of ethics and recommend appropriate action to be taken against State Officers or Public Officers alleged to have engaged in unethical conduct; advise, on its own initiative, any person on any matter within its functions; Raise public awareness on ethical issues and educate the public on the dangers of corruption and enlist and foster public support in combating corruption; monitor the practices and procedures of public bodies to detect corrupt practices and to secure the revision of methods of work or procedures that may be conducive to corrupt practices; and Institute and conduct proceedings in court for purposes of the recovery or protection of public property, or for the freeze or confiscation of proceeds of corruption or related to corruption, or the payment of compensation, or other punitive and disciplinary measures.

## 4. STATEMENT OF THE CHAIRPERSON

The Ethics and Anti-Corruption Commission has continued to discharge its mandate and support the national aspirations espoused in the Constitution and various government blueprints. In doing so, the Commission plays an integral part of protecting public resources to ensure realization of the economic development agenda of the Country.

Notably, the Commission under its Strategic Plan for the period 2018-2023, has identified and amplified four (4) key pragmatic strategies focusing on high-impact investigations, robust tracing and recovery of corruptly acquired assets, corruption prevention and forging, and maintaining strategic partnerships with state and non-state actors.

The strategies aim at causing maximum deterrence, extinguish benefits accrued from corrupt conduct, raise awareness on the dangers of corruption and foster a whole-of-society, and government approach to fighting corruption and unethical conduct. I am pleased to note that these strategies are bearing fruits based on the activities reported and the value of assets recovered for the benefit of the public. EACC acknowledges with gratitude the immense support that we have continued to receive from the national government through budgetary allocation to facilitate effective discharge of the mandate. The allocation has gradually increased over the years, which is a clear testament of the commitment by the government to reduce the prevalence of corruption.

The Commission also appreciates all our development partners who have supported various programmes and activities. Through partnership, we have managed to bridge the resource gap particularly in the area of capacity building. A number of our officers were able to receive highly specialized anti-corruption trainings from reputable organizations including the FBI. Similarly, we appreciate all other forms of support that we received during the period under review including acquisition of modern investigation tools and equipment.

In addition, local and regional partners have been instrumental in supporting our programmes and activities. In particular, I commend the National Council on Administration of Justice, which has remained vibrant and vocal in ensuring the criminal justice system is responsive, efficient and effective.

God bless Kenya, God bless EACC.

**ARCHBISHOP (EMERITUS) DR. ELIUD WABUKALA, EBS**

## 5. REPORT OF THE SECRETARY/CHIEF EXECUTIVE OFFICER

The Ethics and Anti-Corruption Commission is pleased to present the Annual Report and Financial Statements for the Financial Year ended 2021/22. The Report is prepared pursuant to section 27 of Ethics and Anti-Corruption Commission Act, 2011 and section 45 of the Leadership and Integrity Act (LIA, 2012).

The annual accounts of the Commission are prepared, audited and reported in accordance with the Public Audit Act, 2003 (No. 12 of 2003) and Public Finance Management Act, 2012, as well as, in consonance to the International Public Sector Accounting Standards (IPSAS) on prudent financial management and reporting

The Report contains financial statements, which include Statement of Financial Position; Statement of Financial Performance; Statement of Changes in Net Assets; Statement of Cash Flows; Statement of Comparison of Budget and Actual Amounts and other explanatory notes.

During the period under review, the Commission's Recurrent budget ceiling was Kshs 3,518,530,000 after an additional budget during supplementary II of Kshs. 260,000,000. In addition, a Development budget of Kshs 67,493,119 was utilized to refurbish the Integrity Centre and automate EACC processes.

The financial resources allocated has enabled the Commission to continue to discharge its mandate. During the year under review, the Commission, enhanced its anti-corruption interventions by increasing the number of high impact investigations concluded, corruptly acquired assets recovered, disruption of corruption networks, advisories provided, Codes of ethics reviewed and approved among others.

Further, the Commission enhanced its institutional capacity through recruitment of additional staff and providing continuous trainings to enhance skills and competencies. The Commission also expanded its investigation infrastructure through acquisition of additional specialised equipment and tools.

The Commission will continue to ensure compliance with the applicable laws in the management of public funds entrusted for the discharge of its programmes and activities.

TWALIB MBARAK, CBS  
SECRETARY/CHIEF EXECUTIVE OFFICER

## 7. CORPORATE GOVERNANCE STATEMENT

The Ethics and Anti-Corruption Commission (EACC) is a Constitutional Commission created pursuant to Article 79 of the Constitution of Kenya 2010 and established under Section 3 of the Ethics and Anti-Corruption Commission Act No. 22 of 2011. The mandate of the Commission is to combat and prevent corruption, economic crimes and unethical conduct through law enforcement, prevention, public education and promotion of ethical standards and practices.

The EACC Act provides for the functions and powers of the Commission, qualifications and procedures for the appointment of the Chairperson and Members of the Commission, and for other connected purposes. Section 4 of the Act provides for the composition of the Commission, which comprise of a Chairperson and four other Members. They are appointed in accordance with the provisions of the Constitution and the Act. The Chairperson and Members of the Commission serve for a single term of six (6) years on a part-time basis.

The functions of the Commissioners majorly threefold: policy, oversight and strategy. The Secretary to the Commission is also the Chief Executive Officer and Accounting Officer. The Secretary is responsible for strategic, financial and operational leadership. In performing its function, the commission may engage such experts as may be necessary for the performance of its functions.

In compliance with the constitutional requirement on access to services, the Commission has established 11 Regional Offices and has presence in 50 Huduma Centres across the Country to ensure reasonable access to its services in all parts of the Republic. The headquarters is at Integrity Centre in Nairobi County.

The Commission has established four (4) Committee for the effective discharge of their function. They include; Finance and Supply Chain Management, Law Enforcement, Support Services, and Corruption Prevention, Education and Public Engagements. A Commissioner chairs the committees and co-opt heads of Directorates and Departments with relevant experience and skills into the membership. There is also a Risk and Audit Committee established in accordance with the Public Finance Management Act to support the Commission through monitoring and reviewing the risk, control and governance processes.

The Commission is required to prepare an Annual Report at the end of each financial year and submit to the President and the National Assembly. The Report is an accountability tool detailing the activities of the Commission, achievements and any impediment that hinders the discharge of our mandate. The Commission also prepares Annual financial statements in accordance with the law and is audited by the Office of the Auditor General.

## 8. MANAGEMENT DISCUSSION AND ANALYSIS

### 8.1. Reports on Corruption Received by the Commission

The Commission received, analyzed and processed 5,036 reports in FY 2021/22, out of which 1,916 reports were within the Commissions mandate and therefore recommended for investigations. Figure1 illustrates the trend of reports within Commission mandate from Financial Years 2017/18 to 2021/22.

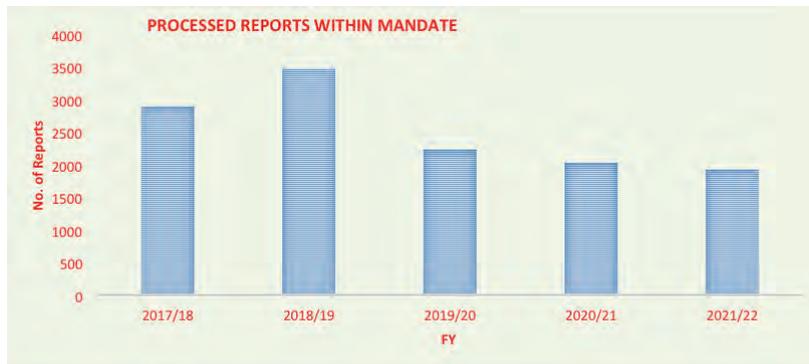

Figure 1: Summary of Reports within Commission Mandate

### 8.2. Cases Forwarded to the Office of the Director of Public Prosecutions

Upon satisfying threshold for investigation and relevant evidence obtained, the completed files are submitted to the prosecutor for determination. The independent review by prosecutor results in either concurrence with EACC recommendation, returned for further investigations, administration action and closure. The Commission has consistently achieved case concurrence rate of above 88% as indicated in Table 1.

## 8.7. Financial Performance

The Commission is committed in carrying out financial management in line with Public Finance Management Act, 2012. The Commission is funded by the Government through The National Treasury. The Commission recorded budget absorption of 99 percent with approved budget of Kshs **3,586,023,119** for FY 2021/2022.

## 9. ENVIRONMENTAL AND SUSTAINABILITY REPORTING

EACC exists to combat and prevent corruption and Economic crimes and unethical conduct in Kenya. It's what guides us to deliver our strategy, which is founded on four pillars:

Below is a brief highlight of our achievements in each pillar

### i. Ethics and Anti-Corruption Commission Sustainability

Articles 79 and 252 that anchor the Commission in the Constitution of Kenya 2010, have been the greatest boom to the sustainability of the Commission and the war against corruption in Kenya. Correspondingly, the National Assembly has enacted and or amended several Statutes that enable the Commission to carry out its mandate, among which are, the Ethics and Anti-Corruption Act, 2011, the Leadership and Integrity Act, 2012 and the Anti-Corruption and Economic Crimes Act, 2003.

Moreover, there have been continuous and incremental disbursements from the exchequer to the Commission each year. The Commission's budget has increased from Kshs **2,957,220,000** to Kshs **3,586,023,119** between 2015 and 2022. This indicates government commitments in fight against corruption. Further, recent developments in the war against graft have sparked greater interest and commitment from partners and donors. Donors have been participating by offering both operational and technical support.

The establishment of the Anti-Corruption Division of the High Court that is premised on the fact that corruption matters are heard on a continuous basis has contributed to the sustainability of the war against graft.

### ii. Environmental Performance

In order to embrace sustainable waste disposal, the Commission has a Service Level Agreement for collection and disposal of various categories of waste generated in the Commission premises.

Waste Bins are equally positioned strategically in various locations of Commission premises in order to ensure clean environment. During the period under review, the management has issued various directives and made initiatives aimed at leveraging technology and embracing electronic communication as opposed to over-reliance on printed communication. This has effectively reduced consumption of paper by the Commission. The Commission has a Corporate Social Responsibility Programme whose objectives include conservation of the environment through improvement of forest cover through tree planting.

### iii. Employee Welfare

The Commission has a policy on recruitment, appointment and promotion which guides the recruitment process. The policy provides a requirement to ensure that the one (1/3) gender constitutional requirement is observed in employment. Further, the Commission's Shortlisting and Interview Guidelines are designed to promote regional and gender balance. The percentage gender distribution is 39.3% female and 60.7% male as at August 2022. A total of 30 ethnic communities are represented out the 46 existing communities as per 2019 census report. In recognition of the Commission's effort in embracing diversity and inclusivity, in March 2022, the Commission was awarded a certificate of recognition as 1st runners up in the category of most inclusive constitutional Commission and Independent office. Commission policies are reviewed from time to time but within a period of three (3) years, the review takes into consideration views of stakeholder to ensure participation. For example, the Commission's Corporate Services and Procures Manual and the Organizational Structure were reviewed in 2020. Currently the Commission is reviewing its Career Progression Guidelines.

To manage and develop employee's knowledge, skills and attitudes, the Commission develops an Annual Training Plan which acts as a guideline for training staff each financial year. The training needs are delivered from gaps identified during performance appraisal, and skills gaps based on the Commission's strategic objectives and mandates. Further to ensure officers are in good professional standing with the various professional bodies, the Commission pays for Annual Subscription and Continuous Professional Development (CPD) courses for officers who are registered as professional within the various professions. The Career Progression Guidelines specifies the growth of job holders and specifies the requirements of each position thus making officers aware of the requisite skills required to grow in their careers.

The Performance Management System in the Commission entails setting targets that are drawn from the Strategic Plan cascaded into departmental work plans. Performance appraisal is conducted at the end of the financial year based on the target sets at the beginning of the year between the appraisers and appraisee to ensure that the appraisal process is objective. In order to reward officers, Commission recommends officers for National honours and issues commendation letters in recognition of exemplary performance. The Commission has a Health and Safety Policy that is in compliance with the Occupational Safety and Health Act of 2007.

### iv. Market Place Practices

The supply chain disruption brought by the COVID 19 pandemic, devaluation of Kenya Shillings against major currency majorly affected supply of goods and

services. The reality in the short term was increased prices in the market place. The major impact on the Commission was inadequate budget to meet the user demands.

The Public Procurement and Disposal (Amendment) Act 2022 has emphasized the need to undertake market surveys during undertaking a procurement process. This will enable scanning the market place and providing guidance to the user department and informed procurement outcome.

To underscore the importance of transparency and efficiency in the procurement process, the Public Procurement Regulatory Authority (PPRA) has enhanced the Public Procurement Information Portal for suppliers to easily access information to the public on procurement opportunities and contract awards. The Commission have continuously complied and enhanced utilization of e-Procurement to the available public procurement information system infrastructure.

a) ***Responsible Competition Practice***

Competitive practices in supply chain is increasingly becoming the norm to maximize value for money and promoting equity and affirmative action programs. The Commission has continuously endeavoured to apply the Open Tender method as its preferred procurement method to promote competition in the market place.

In enhancing anti-corruption in the procurement process, the Commission tendering provides communication channels to report any form of corruption or unethical conduct.

b) ***Responsible Supply Chain and Supplier Relations***

The Commission continuously considers economic, social, ethical, and environmental standards in all of its procurements and disposal processes. The aforementioned standards are also applied when registering new suppliers and supplier development programs.

Long term framework contracts have enabled the Commission to leverage on buyer power and influence towards supply chain sustainability and resilience in realizing competitive pricing. The long-term contracts are a shift from spot buying which has not only reduced the transactional procurement but further realized long term supplier relations. The buying pattern and demand has enabled the suppliers to be more responsive to urgent demands and the lower the stocks holding of the Commission.

The procurement opportunities and awards have been provided through e-Procurement platforms that has built confidence with the suppliers to view the Commission as a responsible partner in business.

c) **Responsible marketing and advertisement**

The Commission marketing and advertisement communication is tactically layered both in the print and electronic media platforms in order to promote visibility of the procurement opportunities to the targeted audience; reaching them at key touchpoints identified and subsequently drive positive supplier participation. The seamless communication has enhanced suppliers' confidence of EACC procurements leading to high responsiveness of tenders. The procurement legal framework limitation on the use of digital communication channels has constrained the Commission to adopt the digital strategy as a primary mode to reach the general public. However, the Commission has leveraged on the print media to advertise most of its procurement opportunities.

d) **Product stewardship**

The Commission evaluation criteria always takes into cognizance social and environmental considerations in choosing best suppliers' products and services. Further, the buying process is driven by the user department needs thus eliminating product waste. The Commission endeavours to procure safe products from reputable suppliers to safeguard consumer rights and interests.

The Commission constitutes inspection and acceptance committees for each procurement as prescribed in the Public Procurement and Disposal Act to enable it to comply with both user specifications and regulatory requirements. The inspection and acceptance committees comprise of staff from different departments who have the requisite skills and in-depth product knowledge. In instances where the Commission has limited technical skills on particular complex procurements, it engages external technical skills from relevant bodies to ensure procured products are above board.

**V. Corporate Social Responsibility / Community Engagements**

The EACC's corporate social responsibility is based on the fact that, as part of the Kenyan society, we have responsibilities that go beyond our legal obligations for the benefit of the society at large. Our corporate social responsibility entails community engagement, supporting community activities, responding to emerging challenges, donating to charities, helping the needy and application of ethical conduct and participating in matters of topical national interest in Kenya. Our Corporate Social Responsibility, CSR, strategy involves building relationships and partnerships and working together with organizations that we believe advance the wellbeing of Kenyans. The EACC's CSR decisions are made in the best interest of the society.

On December 3, 2021, The Ethics and Anti-Corruption Commission planted 1,000 trees at Karura Forest Reserve at the Sigiria Block Forest in an effort to conserve the land for posterity. The portion of land rehabilitated by the Commission was part of a recovered parcel that had been irregularly allocated to unscrupulous developers. The path leading to the site where the trees were planted was renamed “Maadili Track” in recognition of EACC’s efforts to conserve the forest. The Commission also donated seven benches where Karura Forest visitors can take a rest. The CSR activity was done at a cost of Kshs 594,500.

The Commission staff, through a staff-led CSR initiative, donated foodstuff and other sundry items to House of Charity, a Children’s home in Nairobi. The staff cooked for and spent the day with the children, between the ages of zero to three years, who are either orphaned or abandoned.

## 10. REPORT OF THE COMMISSION

The Commission submits its report together with the audited financial statements for the year ended June 30, 2022 which show the state of the Commission's affairs.

### i) **Principal activities**

The principal activities of the Commission are to investigate corruption and economic crimes, recover lost public property and obtain compensation for damaged public property, prevent corruption, conduct public education on the dangers of corruption and promote ethics and integrity.

### ii) **Results**

The results of the entity for the year ended June 30, 2022 are set out on pages 1 to 21.

### iii) **Commissioners**

The Commission members who served during the year under review, are shown on pages vi to vii.

### iv) **Surplus remission**

The entity did not make any surplus during the year 2021/2022 and hence no remittance to the consolidated fund.

### v) **Auditors**

The Auditor-General is responsible for the statutory audit of Ethics and Anti-Corruption Commission for the year ended June 30, 2022 in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act, 2015 and the Ethics and Anti-Corruption Commission Act, 2011.

By Order of the Commission

**SECRETARY/CHIEF EXECUTIVE OFFICER**

## 11. STATEMENT OF COMMISSION'S RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012 and section 26 of the Ethics and Anti-Corruption Commission Act, require the Management to prepare Financial Statements in respect of EACC, which give a true and fair view of the state of affairs of the EACC at the end of the financial year and the operating results of the EACC for the period 2021/2022. The Commission is also required to ensure that proper accounting records are kept which disclose with reasonable accuracy the financial position. The Commission is also required to safeguard its assets.

The Commission is responsible for the preparation and presentation of the EACC's Financial Statements, which give a true and fair view of the state of affairs of the EACC as at the end of the financial year ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the EACC; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Commission accepts responsibility for the EACC's Financial Statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Reporting Standards (IPSAS), and in the manner required by the Public Finance Management Act and the Ethics and Anti-Corruption Commission Act, 2011. The Commission is of the opinion that the EACC's financial statements give a true and fair view of the state of EACC's transactions during the financial year ended June 30, 2022 and of the EACC's financial position as at that date. The Commission further confirms the completeness of the accounting records maintained for EACC, which have been relied upon in the preparation of the financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the Commission to indicate that the EACC will not remain a going concern for at least the next twelve months from the date of this statement.

**REPORT OF THE AUDITOR-GENERAL ON ETHICS AND ANTI-CORRUPTION COMMISSION FOR THE YEAR ENDED 30 JUNE, 2022**

---

**PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purposes.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided under Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

**REPORT ON THE FINANCIAL STATEMENTS**

**Opinion**

I have audited the accompanying financial statements of Ethics and Anti-Corruption Commission as set out on pages 1 to 24, which comprise the statement of financial position as at 30 June, 2022, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2022*

policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Ethics and Anti-Corruption Commission as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Ethics and Anti-Corruption Commission Act, 2011.

#### **Basis for Opinion**

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Ethics and Anti-Corruption Commission Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of Matter**

##### **Poor Financial Performance**

During the year under review, the Commission reported a deficit of Kshs.61,647,104 (2020/2021 - Kshs. 64,475,692). The Management has disclosed in Note 28 to the financial statements that the deficit arose mainly due to depreciation and accrued expenses resulting from unfunded Exchequer. The persistent under-funding is likely to lead to financial difficulties which might affect the full implementation of the Commission's planned activities in the future. The existence of the Commission is therefore dependent on Exchequer releases from the National Government.

My opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### **Other Information**

The Commissioners are responsible for the other information, which comprises the Chairman's report, Secretary/Chief Executive Officer's report, the statement of corporate governance, management discussions and responsibilities, statement of corporate social responsibility and the statement of commissioners' responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

*Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2022*

## REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

### Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### Responsibilities of Management and Commissioners

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Commission's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the Commission or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2022*

activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Commissioners are responsible for overseeing the Commission's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2022*

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Commission to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Commission to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## 18. NOTES TO THE FINANCIAL STATEMENTS

### General Information

The Ethics and Anti-Corruption Commission (EACC) was established under the Ethics and Anti-Corruption Act on 27<sup>th</sup> August, 2011. The Entity is domiciled in Kenya and has branches in the regions of Bungoma, Eldoret, Garissa, Isiolo, Kisii, Kisumu, Machakos, Malindi, Mombasa, Nakuru, and Nyeri.

#### 1. Statement of Compliance and Basis of Preparation

The Commission's Financial Statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Commission. The accounting policies have been consistently applied to all the years presented.

The Financial Statements have been prepared on the basis of historical cost, unless stated otherwise. The Cash Flow statement is prepared using the indirect method. The Financial Statements are prepared on accrual basis of accounting.

#### 2. Summary of Significant Accounting Policies

##### a) Revenue recognition

##### i. Revenue from non-exchange transactions – IPSAS 23

Income is recognized in the period in which it is received. Government and donor funding is only recognized on receipt. Income is not accrued if its recoverability is considered doubtful.

Interest income is recognized on a time proportion basis using the effective interest rate method.

##### ii. Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Commission and can be measured reliably.

##### iii. Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the Commission.

**iv. Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**b) Budget information – IPSAS 24**

The annual budget is prepared on the accrual basis, that is, all planned costs and income are presented in a single statement to determine the needs of the entity. As a result of the adoption of the accrual basis for budgeting purposes, there are no basis, timing or entity differences that would require reconciliation between the actual comparable amounts and the amounts presented as a separate additional financial statement in the statement of comparison of budget and actual amounts.

**c) Investment property – IPSAS 16**

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if their recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition. Transfers are made to or from investment property only when there is a change in use.

**d) Property, plant and equipment – IPSAS 17**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the Commission recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value. The Commissions policy is to depreciate assets on straight line basis at the following rates, Buildings 2%, Motor vehicles 16.67 %, Furniture and fittings 12.5%, Computer equipment 30%, Security equipment 12.5%, Plant and equipment 12.5%.

**e) Intangible assets–IPSAS 31**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

The useful life of the intangible assets is assessed as either finite or indefinite. The Commissions policy is to depreciate Software at the rate of 20%.

**f) Research and development costs**

The Commission expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Commission can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

**g) Inventories – IPSAS 12**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

***h) Provisions – IPSAS 19***

Provisions are recognized when the Commission has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation. A reliable estimate can be made of the amount of the obligation.

Where the Commission expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is

Virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

***i) Contingent liabilities***

The Commission does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

***j) Changes in accounting policies and estimates – IPSAS 3***

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

***k) Cash and cash equivalents***

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

***l) Comparative figures***

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

***m) Significant Judgments and Sources of Estimation Uncertainty – IPSAS 1***

The preparation of the Commission's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities,

and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

### Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared.

### Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- (a) The condition of the asset based on the assessment of experts employed by the Entity
- (b) The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- (c) The nature of the processes in which the asset is deployed
- (d) Availability of funding to replace the asset

## 27. Contingency Liabilities

The Commission has given no guarantees to third parties. In the ordinary course of business, the Commission has been sued in various cases with potential exposure estimated at Kshs **43,987,916**. The Commission is a defendant or co-defendant in various litigations and claims. The outcomes of these litigations and claims are yet to be determined; hence the Commission has not made any provisions in these accounts towards contingent liabilities.

## 28. The deficit is mainly caused by depreciation.

# STAFF HOUSE MORTGAGE AND CAR LOAN SCHEME

---

**ETHICS AND ANTI-CORRUPTION COMMISSION**

**STAFF HOUSE MORTGAGE AND CAR LOAN SCHEME**

**ANNUAL REPORT AND FINANCIAL STATEMENTS**

**FOR THE FINANCIAL YEAR ENDED**

**30<sup>TH</sup> JUNE 2022**

---

**Prepared in accordance with the Accrual Basis of Accounting Method under the International Public Sector Accounting Standards (IPSAS)**

## 1. KEY FUND INFORMATION AND MANAGEMENT

### a) Background information

Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme Fund was established and derives its authority and accountability from the provisions under Section 84(1), Section 24 (4) (5) (6) (7) of the PFM Act, 2012 and Section 127 (1) (2) of the PFM (National Government) Regulations, 2015.

The EACC Staff House Mortgage and Car Loan Fund was set in the financial year 2016-2017 as a revolving fund pursuant to the salaries and Remuneration Commission (SRC) Circular ref No. SRC/ADM/CIR/1/13 Vol. III (128) of 17<sup>th</sup> December 2014 on Mortgage and Car Loan Schemes for State Officers and other Public Officers of Government of Kenya, with the objective of providing a loan scheme for the purpose of acquisition of motor car and residential property for staff.

The Fund is wholly owned by Ethics & Anti-Corruption Commission (EACC) and is domiciled in Kenya.

### b) Principal Activities

#### **The principal activity of the fund is to provide:**

- (i) Mortgage loans to EACC staff for the sole purpose of:
  - a) Purchasing an existing residential property;
  - b) Purchase of land and construction;
  - c) Construction, renovation and/or improvement of existing residential property or existing plot/land;
  - d) Takeover loans on existing mortgages or equity release on existing mortgage property/ies.
- (ii) Loans for acquisition of motor car for personal use by EACC staff.

The Fund is administered by the EACC Staff Mortgage and Car Loan Advisory Committee. The committee is charged with the responsibility of

processing loans from applicants in accordance with laid down approved regulations, setting up a revolving Fund for the disbursement of loans, and supervising the day-to-day operations of the Fund.

The Scheme's Secretariat and the administrator are drawn from the Ethics & Anti-Corruption Commission (EACC) but its management is under the Housing Finance Corporation bank and the KCB Bank. The role of the banks is to manage the scheme and provide administrative services for the fund.

## 4. CHAIRMAN'S REPORT

The Ethics and Anti-Corruption Commission started the EACC Staff House Mortgage and Car Loan Scheme in July 2016 in line with Salaries and Remuneration Commission Guidelines to enable staff acquire residential houses and motor cars at favourable interest rates as a way of attracting, retaining, and motivating staff. I am also delighted to see the tremendous growth of the scheme from a humbling seed of Kshs 300 million to current cash inflows of Kshs 1,602,454.

I'm pleased to present the EACC Staff House Mortgage and Car Loan Scheme financial statements for the Financial Year 2021/22. The National Treasury has funded the scheme in consecutive financial periods totalling to Kshs 1,085,000,000 as at the time of reporting. The Commission appreciates the support of the Government through The National Treasury. The uptake of the mortgage and car loan has been on an increase and the Commission continues to review the products available to ensure optimal uptake of the facility.

The governance and management of the Scheme is as set out in the loan entitlement and conditions stipulated in the EACC Staff Mortgage and Car Loan Scheme Policies and Regulations ,2016 (Revised 2019) and as per the guidelines issued by the Salaries and Remuneration Commission.

The facilities have helped the staff to improve on their wellbeing as well as that of their families. Indeed, this has a direct effect in supporting the Government's Big Four Agenda on affordable housing.

God bless Kenya, God bless you all.

## 5. REPORT OF THE FUND ADMINISTRATOR

The EACC Staff House Mortgage and Car Loan Scheme was established and is governed in line with existing Government regulations. In this regard, the Commission hereby presents the Financial Statements of the Staff House Mortgage and Car Loan scheme for the year ending 30th June, 2022. The Financial Statements presented comprises of the statement of financial performance, statement of financial position, statement of changes in net assets and statement of cash flow.

The EACC Staff House Mortgage and Car Loan Scheme ensures prudent financial management and reporting in line with Public Finance Management Act, (PFMA) 2012, Public Financial Regulations, 2015 and International Public Sector Accounting Standards (IPSAS). As result, the administration of the Scheme has been efficient and effective in meeting the intended purpose.

The implementation and administration of the Scheme is overseen by a Staff Mortgage and Car Loan Scheme Advisory Committee in liaison with external professional service providers. The Committee meets regularly to consider loans applications and make recommendations to the Service providers. The National Treasury has funded the scheme since inception to Kshs. 1,085,000,000 as at date of reporting. In the period under review, the scheme got funding from the National Treasury to the tune of Kshs. 100,000,000. Over time, the total cash inflows into the fund have grown to Kshs. 1,602,206,454. So far, the Scheme has facilitated 146 successful applicants for mortgage and 96 applicants for car loans.

I wish to report that during the period under review, nine mortgage applicants benefited while one car loan applicant was facilitated. Accordingly, the total amount disbursed during the financial year to facilitate staff mortgage is Kshs. 82,462,033 while car loan was Kshs. 2,000,000.

The scheme continues to meet its objective of creating an enabling environment for optimal productivity by providing a competitive loan scheme for members of Staff. The Scheme has been beneficial to staff and has enhanced staff morale and productivity. I encourage all staff members to utilize the facility for improvement of their welfare and to remain resilient and focused in the performance of their duties.

**SECRETARY TO THE COMMISSION/ FUND ADMINISTRATOR**

## 6. STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES

### Introduction

Section 81 (2)(f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer when preparing financial statements of each national government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key strategic objectives are contained in the EACC 2018-2023 Strategic Plan. However, to achieve the objective of the Salaries and Remuneration Commission (SRC) circular Ref. No: SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December 2014 that initialized the establishment of the fund, the EACC 2018-2023 Strategic Plan incorporated the following as one of its strategic objectives.

- To attract and retain a productive and motivated human resource

To realise this strategic objective, the EACC Staff House Mortgage and Car Loan Scheme relied on its strategic plan to guide activities, policy formulation and work plans and made the following progress and achievements towards its targeted objective during FY 2021/2022.

Below we provide the progress on attaining the stated objective:

Program	Objective	Outcome	Indicator	Performance
Control and Management of Public Finances	To attract and retain a productive and motivated human resource	Increased number of staff accessing the mortgage	Percentage of staff retained in EACC and number of staff who accessed the mortgage loans	The number of staff who accessed the mortgage and car loans rose from 232 in FY 2020/2021 to 242 staff in FY 2021/2022. This has led to a motivated workforce and retention of staff in EACC.

## 7. CORPORATE GOVERNANCE STATEMENT

### The EACC Staff House Mortgage and Car Loan Scheme Fund

The Ethics and Anti-Corruption Commission Staff House Mortgage and Car loan scheme Fund is a revolving fund established pursuant to the Salaries and Remuneration Commission (SRC) circular number SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December 2014 and Section 24 (4)(5)(6)(7) of the Public Finance Management (PFM) Act, 2012 and 127 (1)(2) of the PFM (National Government) Regulations, 2015.

Its mandate is to provide car loans and house mortgage to members of staff. The fund is committed to ensuring compliance with regulatory and supervisory corporate governance requirements. Essential to the establishment of a corporate governance framework in the fund is a formal governance structure with the committee at its apex. The operations of the fund are governed by EACC Staff Mortgage and Car Loan Scheme Regulations, 2016 (Revised 2019) and PFM Act, 2012, PFM Regulations, SRC Circulars, National Treasury Circulars and any other government legislations.

### The Fund Management Committee

Section 9 & 10 of the EACC Staff Mortgage Regulations, 2016 (Revised 2019) provides for appointment of committee and administrator of the fund. The committee is made up of Twelve members including the Chairperson and a Secretary. The committee is responsible for the long-term strategic direction of the fund. The committee exercises leadership, enterprise, integrity and judgment in directing the Fund.

The committee members are provided with full, appropriate and timely information that enables them to maintain full and effective control over the strategic, financial, operational and compliance issues. The day-to-day running of the fund is delegated to the fund administrator but the committee is responsible for establishing and maintaining the fund's system of internal controls for the realization of its mandate.

### Committee Meetings

The committee meets quarterly or as required in order to monitor the implementation of the fund's strategic plan and achievement of the targets. The committee also plays an oversight role over all other financial and operational issues.

## Statement of Compliance

The committee confirms that the fund has throughout the financial year 2021/2022 complied with all statutory and regulatory requirements and that the fund has been managed in accordance with the principles of good corporate governance.

## Internal Control and Risk Management

The committee is responsible for reviewing the effectiveness of the fund's system of internal control which is designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against unauthorized use or disposition and the maintenance of proper accounting records and the reliability of financial information used within the business or for publication. These controls are designed to manage rather than eliminate the risk of failure to achieve business objectives due to circumstances which may reasonably be foreseen and can only provide reasonable and not absolute assurance against material misstatement or loss.

## Management Team

The management team headed by the Fund Administrator implements the committee decisions and policies through action plans. The team meets regularly to review these action plans to ensure that the committee's objectives are achieved effectively and efficiently.

## Auditor

The fund is audited by the Office of Auditor-General.

## 8. MANAGEMENT DISCUSSION AND ANALYSIS

### a) Operational and financial performance of the Fund during the period

The Scheme was introduced six (6) years ago and has cash inflows of Kshs 1,602,206,454 as reported in the period under review.

The number of applicants who have shown interest in Mortgage and Car Loan facility has grown over time with the waiting list becoming bigger every day. There are 146 successful applications for mortgage amounting to Kshs. 1,120,758,575 and 96 successful applications for Car Loan amounting to Kshs. 126,096,300 as at the end of the period under review.

<b>Total Outflows</b>	<b>1,215,532,759</b>	<b>133,816,728</b>	<b>1,349,349,487</b>
<b>Net Inflows</b>	<b>216,328,594</b>	<b>36,528,372</b>	<b>252,856,967</b>

Due to increased demand for mortgage and car loan facility, the fund has been facing inadequate resource challenges due to limited funding by the National Treasury. However, there is a great expectation that in future the scheme will be a self-sustaining revolving fund.

**b) Fund’s key projects or investments decision implemented or ongoing**

The Commission has continued to invest in the mortgage and car loan schemes for the staff. This is intended to provide affordable housing for the staff while at the same time facilitating the staff to conveniently commute to and from work.

**c) Fund’s compliance with statutory requirements**

The fund complied with all its statutory and tax obligations in the implementation of its mandate. Further the fund complied with all the necessary laws and regulations applicable in the management of the funds

**d) Risk management activities**

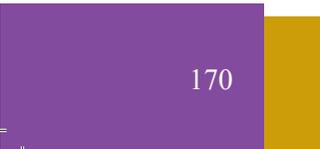

The Scheme has put in place risk management framework for risk identification and mitigation. Further it has embedded risk management in all its planning, execution, evaluation and business continuity arrangements.

Some of the key risks facing the scheme fund include

- i) Strategic Risks: These are risks that affect the ability to carry out the long-term goals and objectives of the fund due to inadequate funding.
- ii) Compliance Risks: These are risks associated with non- compliance with applicable laws and regulations could result in litigation and conflict of interest.
- iii) Financial Risks: The risk of financial loss that may include ineffectiveness of internal controls, inadequate funding, inability to service the loans and delay in financial reporting due to reliance on third party financial information. The delayed funding may also result in the Commission’s inability to fund all the applications hence delay in issuing loans and acquisition of the properties.
- iv) Operational Risk: The risk of direct or indirect loss or inability to provide core services especially to stakeholders, resulting from inadequate or failed financial processes, resources and systems.

**e) Financial Probity and Governance**

To obtain assurance on compliance and prudence in the management of the fund finances, the Scheme prepares the financial statements for the Mortgage and Car loan funds which are subjected to both internal and external audit. The audit findings and recommendations enable the Commission to strengthen the fund operational and financial systems.

By Order of the Commission

**Archbishop (Emeritus) Dr. Eliud Wabukala, EBS**

**Chairperson of the Commission**

## 10 STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 84 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a Fund established under the constitution or an act of parliament shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund, (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies, and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2022, and of the Fund's financial position as at that date.

The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements.

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

### **Approval of the Financial Statements**

**REPORT OF THE AUDITOR-GENERAL ON ETHICS AND ANTI-CORRUPTION COMMISSION - STAFF HOUSE MORTGAGE AND CAR LOAN SCHEME FOR THE YEAR ENDED 30 JUNE, 2022**

---

**PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

**REPORT ON THE FINANCIAL STATEMENTS**

**Opinion**

I have audited the accompanying financial statements of Ethics And Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme as set out on pages 1 to 24, which comprise the statement of financial position as at 30 June, 2022 and the statement of financial performance, statement of changes in net assets, statement of cash flows and

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2022*

statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Ethics And Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with Ethics and Anti-Corruption Commission (EACC Staff Motor Car Loan Scheme) Regulations, 2017, Ethics and Anti-Corruption Commission (EACC Staff House Mortgage Scheme) Regulations, 2017 and the Public Finance Management Act, 2012.

#### **Basis for Opinion**

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Ethics and Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### **Other Information**

The Commissioners are responsible for the other information, which comprises the Chairman's Report, Secretary/Chief Executive Officer's report, the statement of corporate governance, management discussions and responsibilities, statement of corporate social responsibility and the statement of commissioners' responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

#### **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

#### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2022*

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

#### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

#### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

#### **Responsibilities of Management and The Commissioners**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Scheme's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Scheme or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Commissioners are responsible for overseeing the Scheme's financial reporting process, reviewing the effectiveness of how Management monitors compliance with

*Report of the Auditor-General on Ethics and Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2022*

relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a

---

*Report of the Auditor-General on Ethics and Anti-Corruption Commission - Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2022*

basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Scheme to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Scheme to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## 17. NOTES TO THE FINANCIAL STATEMENTS

### 1. General Information

Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme Fund is established by and derives its authority and accountability from the Public Finance Management Act (PFMA) 2012. The Fund is wholly owned by the Ethics & Anti-Corruption Commission (EACC) and is domiciled in Kenya. The Fund's principal activity is to provide financing to the members of staff to purchase, develop or renovate residential property and acquisition of motor car for private use.

### 2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant, and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Fund's accounting policies.

The financial statements have been prepared and presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Fund.

The financial statements have been prepared in accordance with the PFM Act, 2012 and the International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

### 3. Adoption of New and Revised Standards

- i. New and amended standards and interpretations in issue effective in the year ended 30 June 2022*

IPSASB deferred the application date of standards from 1<sup>st</sup> January 2022 owing to Covid 19. This was done to provide entities with time to effectively apply the standards. The deferral was set for 1st January 2023.

- ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30th June 2022.*

Standard	Effective date and impact:
<b>IPSAS 41:</b> Financial Instruments	<b>Applicable: 1<sup>st</sup> January 2023:</b> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of the Fund’s future cash flows.</p> <p>IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"><li>• Applying a single classification and measurement model for financial assets that considers the characteristics of the asset’s cash flows and the objective for which the asset is held;</li><li>• Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and</li><li>• Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. ### iii. Early adoption of standards

The Fund did not early – adopt any new or amended standards in the year 2021/22.

## 4. Significant Accounting Policies

### a. Revenue recognition

#### i) Revenue from non-exchange transactions

##### Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Fund and can be measured reliably.

#### ii) Revenue from exchange transactions

##### Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income for each period.

### b. Budget information

The original budget for FY 2021/22 was approved on 22<sup>nd</sup> July 2021. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the Fund upon receiving the respective approvals in order to conclude the final budget.

Accordingly, the Fund recorded additional appropriations of Kshs 100,000,000 in the FY 2021/2022 budget following the Commission's approval.

The Fund's budget is prepared on a different basis from the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for

differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts as per the statement of financial performance has been presented under page 5 of these financial statements.

### c. Financial instruments

#### 1) Financial assets

##### *Initial recognition and measurement*

Financial assets within the scope of IPSAS 29 Financial Instruments; Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments, or available-for-sale financial assets, as appropriate. The Fund determines the classification of its financial assets at initial recognition.

##### *Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

### ***Held-to-maturity***

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Fund has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, with less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

### ***Impairment of financial assets***

The Fund assesses at each reporting date whether there is objective evidence that a financial asset or a Fund of financial assets is impaired. Management then follows the procedure required by Regulation 145 of the PFM Act, 2012. A financial asset of the Fund is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred ‘loss event’) and that loss event has an impact on the estimated future cash flows of the Fund that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors of the Fund are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults).

## **2) Financial liabilities**

### ***Initial recognition and measurement***

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Fund determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

#### d. **Contingent liabilities**

The Fund does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

#### e. **Contingent assets**

The Fund does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Fund in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are

appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

#### f. **Changes in accounting policies and estimates**

The Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

IPSAS-3: Accounting Policies, Changes in Accounting Estimates and Errors is applied in selecting and applying accounting policies, accounting for changes in estimates and reflecting corrections of prior period errors.

The standard requires compliance with any specific international financial reporting standard applying to a transaction, event or condition, and provides guidance on developing accounting policies for other items that result in relevant and reliable information. Changes in accounting policies and corrections of errors are generally retrospectively accounted for, whereas changes in accounting estimates are generally accounted for on a prospective basis.

Prior period errors are omissions from, and misstatements in, an entity's financial statements for one or more prior periods arising from a failure to use, or misuse of, reliable information that was available and could reasonably be expected to have been obtained and taken into account in preparing those statements. Such errors result from mathematical mistakes, mistakes in applying accounting policies, oversights or misinterpretations of facts, and fraud.

**g. Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency

are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the

reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**h. Related parties**

The Fund regards a related party as a person or entity with the ability to exert control individually or jointly, or to exercise significant influence over the Fund, or vice versa. Members of key management are regarded as related parties and comprise the Commission, the Directors, the Fund Managers, and Fund Accountant.

**i. Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call, and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the various commercial banks at the end of the financial year.

**j. Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**k. Events after the reporting period**

There were no material adjusting and non-adjusting events after the reporting period.

**l. Ultimate and Holding Fund**

The EACC Staff Mortgage and Car Loan Scheme Fund is established under Section 24 (4) PFM Act, 2012. Its ultimate parent is the Ethics and Anti-Corruption Commission.

### m. Currency

The financial statements are presented in Kenya Shillings (**Kshs**).

## 5. Significant judgments and sources of estimation uncertainty

The preparation of the Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

### 14. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk.

The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

#### a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the

directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the Fund's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the Fund's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs.	Fully performing Kshs.	Past due Kshs.	Impaired Kshs.
<b>At 30 June 2022</b>				
Receivables From Car loans and mortgages	933,683,364	933,683,363	-	-
Bank Balances	252,856,967	254,233,686	-	-
<b>Total</b>	<b>1,186,540,331</b>	<b>1,187,917,049</b>	-	-
<b>At 30 June 2021</b>				
Receivables From Car loans and mortgages	941,165,518	941,165,518	-	-
Bank Balances	132,585,666	132,585,666	-	-
<b>Total</b>	<b>1,073,751,184</b>	<b>1,073,751,184</b>	-	-

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the Fund has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts. The Fund has significant concentration of credit risk on amounts due from staff loan beneficiaries.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

#### b) **Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the Fund's short, medium, and long-term funding and liquidity management requirements. The Fund manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed

in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

**c) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the Fund on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the Fund's income or the value of its holding of financial instruments.

The objective of market risk management is to manage and control of market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (*subject to review and approval by the Audit and Risk Management Committee*) and for the day-to-day implementation of those policies.

There has been no change to the Fund's exposure to market risks or the manner in which it manages and measures the risk.

**d) Interest rate risk**

Interest rate risk is the risk that the Fund's financial condition may be adversely affected as a result of changes in interest rate levels. The Fund's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

***Management of interest rate risk***

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

### e) Capital risk management

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The Fund capital structure comprises of the following funds:
