MESSAGE FROM THE CHAIRPERSON

The Constitution of Kenya, 2010 provided for the establishment of the Ethics and Anti-Corruption Commission pursuant to Article 79. The enactment of the EACC Act No.22 of 2011 gave EACC powers and mandate to combat and prevent corruption, economic crime and unethical conduct in Kenya through law enforcement, prevention, public education, promotion of standards and practices of integrity, ethics and anti-corruption.

The Commission aligned its strategies to the national development priorities as set out in the Kenya Vision 2030, Medium Term Plan III (2018-2022) and the Big 4 Agenda, among other plans. The Commission undertook an end term review of its 2018-2023 Strategic Plan to assess the extent of implementation, relevance, efficiency, effectiveness, impact and sustainability of programmes and activities.

In the review, it was established that the conviction rate of cases on corruption and unethical conduct rose from 51.5 percent in 2018 to 53.7 percent in 2023, the value of corruptly acquired assets recovered by the Commission increased from KES 3.565 billion in 2018 to KES 28.0 billion in 2023, and the value of loss of public funds averted through proactive investigations rose from KES 19.7 billion in 2018 to KES 39.2 billion in 2023.

Based on these findings, the Commission embarked on formulation a new Strategic Plan for the period 2023-2028. Under the new Plan, the Vision, Mission, and Strategic Goal of the Commission are supported by Four Pillars, namely: Law Enforcement; Promotion of Ethics and Integrity; Prevention of Corruption and Unethical Practices; and Education, Training and Public Awareness. It is our hope and desire that the new Plan will support us to ultimately realize the vision of an Integrity and Values-driven Kenyan Society.

During the period under review, the Commission leveraged on strategic linkages and partnerships with national, regional and international organisations to provide technical support and capacity building programmes. In particular, the Commission signed a Memorandum of Understanding (MoU) with the Public Procurement Regulatory Authority (PPRA) and Oversight and Anti-Corruption Authority of the Kingdom of Saudi Arabia.

The Commission also partnered with the European Union/United Nations Office on Drugs and Crime (EU/UNODC) through the Programme for Legal Empowerment and Aid Delivery in Kenya, Phase II (PLEAD II) to enhance the capacity of the Commission to fight corruption. In addition, we explored new partners and hosted distinguished delegates including the Attorney General of the Republic of Mozambique and the Ambassador of Indonesia to Kenya to forge new alliances in the fight against corruption.

I am confident with the steps taken and the milestones realized during the year under review. I call upon all partners, stakeholders and Kenyans to unite with the Commission in the fight against corruption and unethical conduct in the country.

ETHICS AND ANTI-CORRUPTION COMMISSION

MESSAGE BY SECRETARY/CHIEF EXECUTIVE OFFICER

The Ethics and Anti-Corruption Commission presents its Annual Report for the Financial Year 2022-23, pursuant to section 27 of the Ethics and Anti-Corruption Commission Act, 2011 and Section 45 of the Leadership and Integrity Act, 2012. The Annual Report includes a description of activities and Financial Statements of the Commission.

During the year under review, the EACC pursuant to its law enforcement mandate, finalized and forwarded 97 investigation files on corruption and economic crimes to the Director of Public Prosecutions for review. A further 61 investigations files on violations of Chapter Six of the Constitution and Leadership and Integrity Act, 2012 were finalized with various recommendations.

In the same period, illegally acquired and unexplained assets with an estimated value of KES 6.63 billion were traced, while assets with an approximated value of KES 3.8 billion were recovered. The Commission also conducted proactive investigations which averted a possible loss of public funds estimated at KES 4.7 billion.

In an effort to enhance institutional and personal integrity, the Commission undertook systems reviews and finalized examinations reports at the Moi University and Masinde Muliro University of Science and Technology. Similarly, EACC conducted Corruption Risk Assessments in Bomet County Executive, County Assembly of Siaya, Siaya County Executive, County Assembly of Bomet and Public Procurement Regulatory Authority (PPRA).

The Commission, in line with its mandate to educate and raise public awareness, foster public support and build capacity in several sectors in the fight against corruption, conducted 97 Corruption Prevention Committee (CPC) trainings in Ministries, Departments, Agencies and County Governments reaching 1,787 participants and sensitized community and professional networks reaching 968 participants. Further, the Commission offered Integrity Assurance Officers Course, Leadership and Integrity Course for the Executives and Promoting integrity in Supply Chain Management Course.

In addition, the Commission implemented programmes to ensure compliance with ethical standards and practices as provided under Chapter Six of the Constitution and related laws. Towards this end, the Commission facilitated the signing and commitment to the Leadership and Integrity Code by 2,727 State Officers. The Commission also rolled out integrity compliance capacity-building programmes targeting State and Public Officers.

During the period under review, the Commission encountered a number of challenges that hampered effective implementation of its mandate key among them, the heightened political environment arising from the General Elections, inadequate budgetary allocation and delay in disbursement from the exchequer.

In spite of the challenges, the Commission remains steadfast in undertaking its mandate and in ensuring that timely action is taken on those found in violation of anti-corruption laws or in breach of ethical codes. I call upon every Kenyan to join us in combating corruption and promotion of ethical standards and practices.

ETHICS AND ANTI-CORRUPTION COMMISSION

Chapter 1

BACKGROUND

1.1 Introduction

The Ethics and Anti-Corruption Commission (EACC) is a Constitutional Commission established under the Ethics and Anti-Corruption Commission Act (EACCA), No. 22 of 2011 pursuant to Article 79 of the Constitution. This Annual Report is prepared pursuant to the provisions of Article 254 (1) of the Constitution, Section 27 of EACCA, 2011 and Section 45(1) of the Leadership and Integrity Act (LIA), No. 19 of 2012. The Financial Year 2022/23 Annual Report provides details of anti-corruption activities undertaken and achievements realized; information relating to the enforcement of ethics and compliance with the provisions of LIA; relevant statistical information; challenges encountered; and audited financial statements of the Commission.

1.2 Mandate and Functions of the Commission

The Commission is mandated to combat and prevent corruption, economic crimes and unethical conduct through law enforcement, prevention, public education and promotion of ethical standards and practices. The mandate is derived from Articles 79 and 252 of the Constitution; the EACC Act, No. 22 of 2011; LIA, No. 19 of 2012; the Public Officer Ethics Act (POEA), No 4 of 2003; the Anti-Corruption and Economic Crimes Act (ACECA), No. 3 of 2003; and the Bribery Act, No. 47 of 2016, among other relevant laws. The functions of the Commission as derived from its mandate are to:

- a) Develop codes of ethics and promote standards and best practices in integrity and anti-corruption for State and Public Officers;
- b) Investigate and recommend to the Director of Public Prosecutions the prosecution of any acts of corruption, bribery, economic crimes or violation of codes of ethics;
- c) Oversee the enforcement of codes of ethics and recommend appropriate action to be taken against State Officers or Public Officers alleged to have engaged in unethical conduct;
- d) Advise, on its own initiative, any person on any matter within its functions;
- e) Raise public awareness on ethical issues and educate the public on the dangers of corruption and enlist and foster public support in combating corruption;
- f) Monitor practices and procedures of public bodies to detect corrupt practices and to secure the revision of methods of work or procedures that may be conducive to corrupt practices; and

- g) Institute and conduct proceedings in court for purposes of the recovery or protection of public property, or for the freezing or confiscation of proceeds of corruption or related to corruption, or the payment of compensation, or other punitive and disciplinary measures.

The subsequent chapters of the Report are organized as follows: Chapter Two outlines Law Enforcement activities; Chapter Three focuses on Prevention of Corruption and Unethical Practices; Chapter Four expounds on Partnerships and Networks while Chapter Five presents audited Financial Statements of the Commission.

Chapter 2

LAW ENFORCEMENT

2.1 Introduction

This chapter highlights achievements of the Commission under its enforcement mandate. The achievements are presented under various sections, namely: Reports received and processed; status of investigations; proactive investigations; reports to the Director of Public Prosecutions; cases pending before court; cases finalized in court; illegally acquired and unexplained assets traced; civil proceedings; recovered assets; issuance of advisories, cautions and notices; integrity verification; and review of policy and legal framework.

2.13 Review of Policy and Legal Framework

The Commission contributed to the development and strengthening of policy and legal anti-corruption framework in the country. The Commission made recommendations for formulation and amendments of the following laws and regulations:

2.13.1 Amendment to Anti-Corruption and Economic Crimes Act, No. 3 of 2003

The Commission continued to support the Office of the Attorney General and Department of Justice (AOG&DOJ) in the proposed Bill for amendment of the Anti-Corruption and Economic Crimes Act before Parliament. The Bill seeks to harmonise its provisions with the functions of the Director of Public Prosecution under Article 157(2) of the Constitution. It also proposes to amend the Act to allow the Commission to seek for a court order for a State Officer under investigation or charged with corruption or economic crimes to be barred from accessing their office or exercising powers of that office where the public officer is likely to interfere with investigations in any way.

2.13.2 Amendment to Ethics and Anti-Corruption Commission Act, No.22 of 2011

The Commission continued to support the Office of the Attorney General and Department of Justice (AOG&DOJ) in the proposed Bill seeking to amend the Ethics and Anti-Corruption Commission Act to require the presentation of its annual report within six months to the end of the year to which it relates.

2.13.3 Amendment to Leadership and Integrity Act, No. 19 of 2012

The Commission in collaboration with OAG&DOJ proposed to the 12th Parliament amendment of the Leadership and Integrity Act. The proposed amendment seeks to allow EACC to verify and make recommendation on the suitability of candidates intending to apply to be appointed to a public entity. It additionally proposes to allow the High Court on application by any person, to declare the assumption of office by a state officer to be invalid for want of executing a commitment to the specific Leadership and Integrity Code. The term of the 12th Parliament expired on 9th June, 2022 necessitating reintroduction of the proposed amendment to the 13th Parliament.

2.13.4 Development of Model Procedures for Prevention of Corruption and Bribery

The Commission embarked on the development of the Model Procedures for Prevention of Corruption and Bribery in public and private sector, pursuant to Section 9 of the Bribery Act, 2016. The document has been approved by the Commission Corruption Prevention Committee and awaiting stakeholder sensitization on implementation of the Model Procedures.

Chapter 3

PREVENTION OF CORRUPTION AND UNETHICAL PRACTICES

3.0 Introduction

This Chapter presents programmes implemented by the Commission during the Financial Year 2022-2023 pursuant to its preventive mandate. The programmes include: systems reviews; corruption prevention advisories; monitoring the implementation of prevention intervention; sectoral corruption fora; implementation of Chapter Six of the Constitution and related laws; public education and awareness; and strategic planning.

3.1 Systems Review

Systems Review aims to reveal weaknesses, opportunities for corruption and unethical practices in order to strengthen institutional systems and minimize opportunities for corruption. The Commission reviews organizational systems through Examinations and Corruption Risk Assessments (CRAs).

3.1.1 Examinations

The Commission examined systems, policies, procedures and practices of Moi University and Masinde Muliro University of Science and Technology. Two reports were finalized and disseminated. Table 3.1 presents some of the findings and recommendations as provided in the examination reports.

Table 3.1: Highlight of the Findings and Recommendations of Examinations

Focus Area	Finding	Recommendation
1. Systems, Policies, Procedures and Practices at Moi University		
University Masterplan	The University Masterplan had not been reviewed for 35 years and some developments undertaken were not in conformity with the masterplan.	Ensure the University Masterplan is periodically reviewed and complied with.
Public Finance Management Standing Committee	Failure to establish Public Finance Management Standing Committee	Establish the Public Finance Management Standing Committee to provide strategic guidance on public finance management matters in accordance with Regulation 18 and 19 of the PFM (National Government) Regulations 2015.
Variation of Contracts	Irregular variation of contracts.	Ensure adherence to Section 139 of Public Procurement and Asset Disposal Act, 2015 (PPADA) on contract variations.

Public Procurement and Assets Disposal Manuals	Lack of specific guidelines for procurement and asset disposal process undertaken by the Kenya Diplomatic Missions.	Develop procurement and asset disposal guidelines for the Kenya Diplomatic Missions.

3.2 Corruption Prevention Advisories

The Commission provides advisories to institutions and individuals on prevention of bribery and corruption pursuant to Section 11 (1) (g) of the EACC Act, 2011 and Section 9 of the Bribery Act, 2016. During the period under review, the Commission provided advisories on the Public Service Performance Contracting Framework, on prevention of bribery and corruption under the Bribery Act, 2016 and the formulation of Corruption Prevention Guidelines and Procedures.

3.2.1 Advisories under the Public Service Performance Contracting Framework

Under Performance Contracting, the Commission partnered with the Public Service Performance Management Unit (PSPMU) to oversee the implementation of corruption prevention indicator activities in Ministries, Departments and Agencies (MDAs) signed with the National Government.

Based on the guidelines provided, the Commission analyzed and reviewed 1,121 quarterly reports submitted by MDAs under the Corruption Prevention Criteria in the Performance Contract and feedback on progress to respective MDAs. The Commission also evaluated performance of each of the MDAs that signed Performance Contracts during the financial year 2022/2023, and submitted a report to the PSPMU.

3.2.2 Advisories on Prevention of Bribery and Corruption

Section 9 (1) of the Bribery Act, 2016 makes it mandatory for public and private entities to put in place procedures proportionate to their size and scale of operation for the prevention of bribery and corruption. The Act also requires the Commission to assist private and public entities, and any interested person, to develop and put in place procedures for prevention of bribery and corruption.

The Commission advised 172 MDAs on the Bribery Act. Some of the MDAs advised included: Kenya Medical Practitioners and Dentists Council; Railways Corporation Ltd; Kenya National Commission for UNESCO; Kibabii University; Ministry of Defense; Shanzu Teachers Training College; National Research Fund; Webuye Technical and Vocational College (TVC); Kenya Forestry Research Institute; University of Eldoret; Kenya Institute for Public Policy Research and Analysis (KIPPRRA); Ekerubo Gietai TVC; Business Registration Service; Pwani University; The National Treasury; Kenya Revenue Authority; National Environment Trust (NET) Fund; Kenya Literature Bureau; Ministry of Interior and National Administration; Kenya Space Agency; Lake Victoria South Water Works Development Agency; Kenya Plant Health Inspectorate Service; Unclaimed Financial Assets Authority and Ebukanga TVC.

3.3 Corruption Prevention Guidelines

The Commission developed and disseminated guidelines on the implementation of the Corruption Prevention Indicator in the Performance Contract during the 19th Cycle (FY 2022/2023).

3.4 Monitoring the Implementation of Prevention Interventions

The Commission monitored the implementation of systems review recommendations and advisories issued to various institutions.

3.4.1 Systems Review Recommendations

The Commission monitored the implementation of systems review recommendations at the National Registration Bureau, Kisumu County Executive, Kisii County Executive, County Assembly of Kisii, Makueni County Executive, County Assembly of Kisumu and County Assembly of Makueni. The implementation status of the recommendations is at different levels.

3.4.2 Advisories

The Commission monitored the implementation of the Corruption Prevention Indicator under the PC framework in 12 MDAs. The monitoring revealed that the implementation of the indicator is affected by lack of budgetary provision for corruption prevention activities; lack of trained Integrity Assurance Officers (IAOs); poorly constituted Corruption Prevention Committees (CPCs); and delegating the entire responsibility for implementing the indicator to an individual officer within an institution. The MDAs were advised to strengthen their corruption prevention framework.

3.4.3 Sectoral Corruption Prevention Fora

The Commission held a corruption prevention forum on the implementation of the Corruption Prevention Indicator during the 19th Cycle (FY 2022/2023) Performance Contracting period. The Commission also held three fora on the formulation of the procedures for the prevention of bribery and corruption, required under the Bribery Act, 2016. The total participants in the fora were 453.

3.5 Implementation of Chapter Six of the Constitution and Related Laws

In the spirit of promoting leadership and integrity, the Commission undertook several initiatives. These include: Development of Leadership and Integrity Codes for State Officers; publication of specific leadership and integrity codes, commitment to the Leadership and Integrity Codes; development of Codes of Conduct and Ethics for Public Officers; regulation of bank accounts outside Kenya; oversight in the management of Declaration of Income, Assets and Liabilities (DIALs); automation of processes for compliance with Chapter Six of the Constitution, LIA and POEA, capacity building on implementation of Chapter Six of the Constitution; and issuance of technical advisories on Chapter Six and other related integrity laws.

3.5.1 Development of Leadership and Integrity Codes for State Officers

Section 37 of the Leadership and Integrity Act, 2012 requires each public entity with State Officers to develop a Specific Leadership and Integrity Code (SLIC) for the State Officers serving in that entity. The specific codes developed are to be submitted to the Commission for approval, in accordance with Section 39 of LIA. The Commission approved Leadership and Integrity Code for County Executive of Kwale. The Commission has so far reviewed all the Codes from 137 entities with State Officers.

3.5.2 Commitment to the Leadership and Integrity Codes

Section 40 of the LIA, provides that a newly appointed or elected State Officer is, at the time of taking oath of office or within seven days of assuming State Office, to sign and commit to the Specific Leadership and Integrity Code. The Commission facilitated the signing and commitment to the Leadership and Integrity Code for 2,727 State Officers as summarized in the Table 3.13.

3.5.3 Development of Codes of Conduct and Ethics for Public Officers

The Commission provided technical support to various public entities in developing and implementing Codes of Conduct and Ethics for their respective Public Officers. This was aimed at aligning the Codes to Section 52 of the LIA, 2012. During the period under review, the Commission supported seven public entities to develop Codes. These include; Kenya Industrial Research and Property Institute, Kenya Forest Service, National Land Commission, National Cereals and Produce Board, Salaries and Remuneration Commission, Lake Victoria North Water Works Development Agency and the Universities Fund.

3.5.4 Regulation of Bank Accounts Outside Kenya for State and Public Officers

The Commission is mandated to oversee and enforce implementation of Section 19 of LIA, 2012 as read with Rule 14 of the Leadership and Integrity Regulations, 2015. The Commission approved 137 applications to open and operate bank accounts outside Kenya, processed 158 bank statements and 24 notifications for closure of approved bank accounts.

3.5.5 Oversight in the management of Declaration of Income, Assets and Liabilities

The Commission has the oversight mandate in the implementation of Part IV of Public Officer Ethics Act, 2003 (POEA) on Declaration of Income, Assets and Liabilities (DIALs). Section 33 (1), (2) of POEA requires each Responsible Commission to develop and subsequently publish the administrative procedures in the Kenya Gazette. The Commission facilitated the development and subsequent publication of administrative procedures on DIALs for Kitui and Nyeri County Assembly Powers and Privilege Committees.

3.5.6 Capacity Building on implementation of Chapter Six of the Constitution

The Commission implemented integrity compliance capacity-building programme on Chapter Six of the Constitution and related integrity laws targeting State and Public Officers. A total of 13,003 Public Officers were trained in 62 capacity building fora.

3.6 Public Education and Awareness Programmes

The Commission is mandated to conduct public education, training and awareness creation on matters ethics, integrity and anti-corruption to enlist public support in the fight against corruption. This is achieved through public outreach programmes; mainstreaming of integrity in institutions of learning; media education; development and dissemination of Information, Education and Communication materials; general sensitization; and training of Corruption Prevention Committees.

3.6.1 Public Outreach Programmes to Targeted Community and Professional Networks

During the year under review, the Commission sensitized networks such as Boda Boda Safety Association of Kenya (BAK); Community Based Organizations; Non-Governmental Organisations; Community Opinion Leaders; Faith-Based Organizations; Marketing Cooperative Societies; Professionals from the Board of Registration of Architects and Quantity Surveyors from Narok, Laikipia, Trans-Nzoia, Kitui, Meru, Kakamega, Machakos, Embu, Kirinyaga, Nakuru and Marsabit. The Commission also

sensitized the legal Managers of the Association of Kenya Insurers and staff of Blue Consulting from the private sector. The total participants sensitized were 968.

3.6.2 Corruption Prevention Committee Training

The Commission implemented 97 Corruption Prevention Committee (CPC) trainings in Ministries, Departments, Agencies and County Governments and 1,787 CPC members were trained.

3.6.3 General Sensitization

The Commission conducted hot spot sensitization in Open Air Markets in Marsabit, Moyale, Narok, Kitui, Laikipia, Kajiado, Trans-Nzoia and Moyale border point reaching approximately 64,000 persons. In addition, the Commission conducted 154 general sensitization programmes for MDAs, children and youth from Seventh Day Adventist churches in 15 counties. Under these programmes 311,776 persons were sensitized.

3.6.4 Mainstreaming Integrity in Institutions of Learning

To enhance integrity in learning institutions, the Commission carries out several programmes such as school/institution outreach programme and establishment and monitoring of integrity clubs.

i) Outreach in institutions of learning

During the year under review, the Commission implemented School Outreach Programmes aimed at nurturing character, patriotism and empowering the learners to advocate and practice good governance. The activities were carried out in 18 Counties. In total, the Commission visited 350 Primary and Secondary schools reaching 129,712 learners. Further, 4,940 teachers, non-teaching staff and 350 parents were sensitized in the various schools.

3.9 Development of the Strategic Plan (2023-2028)

In line with its mandate to combat and prevent corruption and unethical conduct, the Commission developed a new Strategic Plan for the period 2023-2028. The Vision of the Commission in the Strategic Plan is *An integrity and values-driven Kenyan society* and the goal is to *Eradicate corruption and enhance ethical conduct*. The Commission's Vision, Mission and Strategic Goal are supported by Four Pillars, which are Law Enforcement; Promotion of Ethics and Integrity; Prevention of Corruption and Unethical Practices; and Education, Training and Public Awareness. During the new planning period the Commission aims to achieve six strategic objectives, namely:

- To effectively deter and punish corruption and unethical practices;
- To promote ethics and integrity;
- To improve institutional accountability in public and private sectors;
- To increase public involvement in the fight against corruption and unethical practices;
- To enhance cooperation, collaboration and coordination in the fight against corruption and unethical practices; and,
- To improve organizational efficiency and effectiveness.

Chapter 4

PARTNERSHIPS AND NETWORKS

4.0 Introduction

The Commission established and maintained strategic linkages and partnerships with national, regional and international organizations as provided for in Section 11(3) of EACC Act, 2011 to enhance the fight against corruption and to optimize on their respective capabilities and strengths. This chapter presents national, regional and international engagements that were pursued by the Commission in the year under review.

4.1 National Engagements

The Commission supported the Kenya Leadership and Integrity Forum (KLIF) and partnered with Public Procurement Regulatory Authority (PPRA), development partners, media and civil society.

4.1.1 Kenya Leadership Integrity Forum

Kenya Leadership Integrity Forum (KLIF) is a platform that brings together stakeholders to provide a collective and collaborative framework for a multisectoral and citizen-driven initiative against corruption. KLIF comprises state and non-state actors categorized in 20 sectors, namely: Executive; Legislature; Judiciary; County Governments; Labour; Anti-Corruption Agencies; Enforcement; Watchdog Agencies; Media Sector; Private Sector; Professional Bodies; Education; Civil Society; Religious Organizations; Constitutional Commissions; Development Partners; Transport Sector; Regional and Sub-Regional Bodies; Regulatory Boards; and Financial Services Sector. The Commission provides human, financial and technical support to the forum and in the year under review supported implementation of the following programmes:

2. KEY ENTITY INFORMATION AND MANAGEMENT

(a) Background information

The Ethics and Anti-Corruption Commission (EACC) was established under the Ethics and Anti-Corruption Act on 27th August, 2011. The EACC is domiciled in Kenya and has Regional Offices in Bungoma, Eldoret, Garissa, Isiolo, Kisii, Kisumu, Machakos, Malindi, Mombasa, Nakuru, and Nyeri.

The EACC is structured in an elaborate framework for performance of its functions enumerated in the EACC Act, 2011. The Chairperson of Commission leads a team of Commissioners who are in charge of policy, oversight and strategy. The Commission Secretary who doubles as the Chief Executive Officer leads the Secretariat. The Secretariat functions are cascaded in the Directorates of: Investigations; Legal Services and Asset recovery; Ethics and Leadership; Preventive Services; Corporate Services; Finance and Planning; and Field Services and Coordination. A Director heads each Directorate.

(b) Principal Activities

The principal mandate of the Commission is to combat and prevent corruption, economic crimes and unethical conduct through law enforcement, prevention, public education and promotion of ethical standards and practices. The mandate derived from Articles 79 and 252 of the Constitution; the EACC Act, No.22 of 2011; the Leadership and Integrity Act (LIA) Act No.19 of 2012; Public Officers Ethics Act, No. 4 of 2003; Anti-Corruption and Economics Crimes Act No. 4 of 2003; and the Bribery Act, No.47 of 2016 among other relevant laws and legislation.

Vision	:	An Integrity Driven Kenyan Society.
Mission	:	To promote integrity and combat corruption through law enforcement, prevention and education.
Core Objectives	:	Policy, Legal and Regulatory Framework; Enforcement; Prevention and Public Awareness; and Institutional Capacity.
Functions	:	Develop codes of ethics and promotion of standards and best practices in integrity and anti-corruption for State and public offices; investigate and recommend to the Director of Public Prosecutions the prosecution

5. CHAIRPERSON'S STATEMENT

The Ethics and Anti-Corruption Commission has continued to discharge its mandate and support the national aspirations espoused in the Constitution and various government blueprints. In doing so, the Commission plays an integral part of protecting public resources to ensure realization of the economic development agenda of the Country. Notably, the Commission under its Strategic Plan for the period 2018-2023, has identified and amplified four (4) key pragmatic strategies focusing on high-impact investigations, robust tracing and recovery of corruptly acquired assets, corruption prevention and forging, and maintaining strategic partnerships with state and non-state actors.

These strategies aim at causing deterrence, extinguishing benefits accrued from corrupt conduct, raising awareness on the dangers of corruption and fostering a whole-of-society, and government approach to fighting corruption and unethical conduct. I am pleased to note that these strategies are bearing fruits based on the activities reported and the value of assets recovered for the benefit of the public.

The Commission acknowledges with gratitude the immense support that we have continued to receive from the government through budgetary allocation and creating an enabling legal and policy framework for the effective discharge of the mandate. I note that the budgetary allocation has gradually increased over the years, which is a clear testament of the commitment by the government to support good governance and a values-driven Kenyan society.

The Commission recognizes Development Partners who have supported various programmes and activities. Through partnership, we have reduced the resource gap particularly in the area of specialized trainings and acquisition of modern investigation tools and equipment.

The national and regional partners have been instrumental in supporting our programmes and activities. In particular, I commend the National Council on Administration of Justice, which has remained vibrant and vocal in ensuring the criminal justice system is responsive, efficient and effective.

God bless Kenya. God bless EACC.

David Oginde, PhD
CHAIRPERSON

6. REPORT OF THE SECRETARY/CHIEF EXECUTIVE OFFICER

The Ethics and Anti-Corruption Commission is pleased to present the Annual Report and Financial Statements for the Financial Year ended 2022/23. The Report is prepared pursuant to section 27 of Ethics and Anti-Corruption Commission Act, 2011 and section 45 of the Leadership and Integrity Act (LIA, 2012).

The annual accounts of the Commission are prepared, audited and reported in accordance with the Public Audit Act, 2003 (No. 12 of 2003) and Public Finance Management Act, 2012, as well as, in consonance to the International Public Sector Accounting Standards (IPSAS) on prudent financial management and reporting.

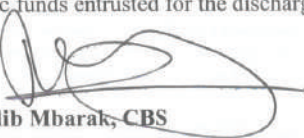

The Report contains financial statements, which include Statement of Financial Position; Statement of Financial Performance; Statement of Changes in Net Assets; Statement of Cash Flows; Statement of Comparison of Budget and Actual Amounts and other explanatory notes.

In the Financial Year 2022/2023, the Commission was allocated a total of Kshs 3,578,530,000 both Recurrent and Development expenditures expressed in Kshs 3,420,530,000 Recurrent and Kshs 158,000,000 Development expenditures. The Commission further received an additional allocation of Kshs 100,000,000 for the Recurrent supplementary budget to mitigate the emerging financial needs whilst the Development budget was scaled down to Kshs 46,565,743.

During the reporting period, the absorption rate for the Recurrent budget stood at 96.34 percent while that of Development expenditure was at 100 percent. In addition, the Commission received support under the United Nations Office on Drugs and Crime (UNODC) Programme for Legal Aid Delivery (PLEAD II) in support of various programmes and activities.

The financial resources allocated has enabled the Commission to continue discharging its mandate effectively. The Commission enhanced its anti-corruption interventions by focusing on high impact investigations, tracing and recovery of corruptly acquired assets, disruption of corruption networks and strengthening institutional and personal integrity in public entities.

The Commission will continue to ensure compliance with the applicable laws in the management of public funds entrusted for the discharge of its programmes and activities.

Twalib Mbarak, CBS

8. CORPORATE GOVERNANCE STATEMENT

The Ethics and Anti-Corruption Commission (EACC) is a Constitutional Commission created pursuant to Article 79 of the Constitution of Kenya 2010 and established under Section 3 of the Ethics and Anti-Corruption Commission Act No. 22 of 2011. The mandate of the Commission is to combat and prevent corruption, economic crimes and unethical conduct through law enforcement, prevention, public education and promotion of ethical standards and practices.

The EACC Act provides for the functions and powers of the Commission, qualifications, and procedures for the appointment of the Chairperson and Members of the Commission, and for other related purposes. Section 4 of the Act provides for the composition of the Commission, which comprises a Chairperson and four other Members. They are appointed in accordance with the provisions of the Constitution and the Act. The Chairperson and Members of the Commission serve for a single term of six (6) years on a part-time basis.

The functions of the Commissioners are majorly threefold: policy, oversight, and strategy. The Secretary to the Commission is also the Chief Executive Officer and Accounting Officer. The Secretary is responsible for strategic, financial and operational leadership. In performing its function, the Commission may engage such experts as may be necessary for the performance of its functions.

In compliance with the constitutional requirement on access to services, the Commission has established 11 Regional Offices and has a presence in 50 Huduma Centres across the country to ensure reasonable access to its services in all parts of the Republic. The headquarters is at the Integrity Centre in Nairobi County.

The Commission meets as often as may be necessary for the discharge of its business. The proceedings of meetings of the Commission are governed by the Second Schedule of the Ethics and Anti-Corruption Act, No. 22 of 2011.

In addition to Commission meetings, the Commission has established four (4) Committees namely; Finance and Supply Chain Management, Law Enforcement, Support Services, and Corruption Prevention, Education and Public Engagement for the effective discharge of oversight function. A Commissioner chairs the Committees with members co-opted from heads of Directorates and Departments with relevant experience and skills. There is also a Risk and Audit Committee established

Ethics & Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

in accordance with the Public Finance Management Act to support the Commission through monitoring and reviewing the risk, control and governance processes.

The Commission is required to prepare an Annual Report at the end of each Financial Year and submit to the President and the National Assembly. The Report is an accountability tool detailing the activities of the Commission, achievements and any impediment that hinders the discharge of our mandate. The Commission also prepares Annual Financial Statements in accordance with the law and is audited by the Office of the Auditor General.

9. MANAGEMENT DISCUSSION AND ANALYSIS

9.1 Reports on Corruption Received by the Commission

The Commission received, analyzed and processed 5,252 reports in FY 2022/23, out of which 1,968 reports were within the Commissions mandate and therefore recommended for investigations. **Figure 1** illustrates the trend of reports within Commission mandate from Financial Years 2018/19 to 2022/23.

Figure 1: Summary of Reports within Commission Mandate

9.2 Cases Forwarded to the Office of the Director of Public Prosecutions

Upon satisfying threshold for investigation and relevant evidence obtained, the completed files are submitted to the Office of the Director of Public Prosecutions (ODPP) for determination. The independent review by ODPP results in either concurrence with EACC recommendation, files returned for further investigations or administration action and closure. The Commission has consistently achieved case concurrence rate of above 92% as in a five-year period indicated in Table 1.

9.11 Review of the economy and GJLO Sector

Kenya's GDP grew at 4.8 percent in the year 2022 having been affected by contraction in agricultural activities reflecting the impact of the drought experienced to most parts of the country. Similarly, in 2023 the economy remained resilient and expanded by 5.3% in the first quarter of the year. The growth was mainly supported by a rebound of the agricultural sector and continued resilience of service sectors.

Kenya's medium-term growth outlook remains strong as the economy continues to recover from the multiple crises such as drought and Covid-2019. GDP growth over the medium term is expected to remain at around 5.5 percent, broadly in line with the pre-pandemic trend and Kenya's estimated potential GDP growth rate. This growth will be reinforced by the Government's Bottom – Up Economic Transformation Agenda (BETA) geared towards economic turnaround and inclusive growth.

Inflation rate stood at 7.9% in June 2023, mainly driven by a notable decline in food prices, despite increased fuel pump prices. The inflation rate is expected to moderate further, supported by lower food prices attributed to improving supply of key food commodities and the implementation of Government measures to improve the supply of sugar through importation. Real per capita incomes are expected to grow at around 3 percent in the medium term whereas poverty is expected to resume its pre-pandemic downward trend.

The Commission is classified under GJLO Sector, which contributes directly and indirectly to the Gross Domestic Product (GDP). Its direct contribution includes revenue generation in terms of court fees, court awards, court fines, cash/property recoveries incidental to provision of its services. The indirect contribution to GDP is through creating a secure and conducive business environment to enhance the productivity of other sectors.

10 ENVIRONMENTAL AND SUSTAINABILITY REPORTING

EACC exists to combat and prevent corruption and Economic crimes and unethical conduct in Kenya. It's what guides us to deliver our strategy, which is founded on four pillars: Below is a brief highlight of our achievements in each pillar;

i. Ethics and Anti-Corruption Commission Sustainability

Sustainability strategy and profile FY 2022/2023

a. Legal framework enhancement

To enhance the elaborate existing anti-corruption legal and policy framework guiding its operations, in FY 2022/2023 EACC submitted a Memorandum to the National Assembly detailing proposals to amend the Anti-Corruption and Economic Crimes Act, 2003; the Leadership and Integrity Act, 2012 and the Bribery Act, 2016. The amendments seek to allow the Commission to be bar those charged with corruption from accessing Office or exercising powers of the Office; verify the suitability of candidates applying to be appointed to a public entity and to include both private and public entities in the scope of the application of the Bribery Act. The Commission also developed model procedures for prevention of corruption and bribery in public and private sector, pursuant to section 9 of the Bribery Act 2016.

b. Strategic Plan focus areas

During FY 2022/2023, the Commission was implementing the Strategic Plan 2018-2023, which focused on High impact investigation, Asset Recovery, Corruption Prevention, Public education and Partnerships. The aim of the strategies is creating greater impact leading maximum deterrence; extinguishing the benefit obtained from corrupt conduct; strengthening systems, policies and practices of public bodies to prevent corruption and promote ethics; empowering citizens to proactively participate in governance affairs and fostering the support of both state and non-state actors through sharing of information, experience and exchange of best practice respectively.

c. Partnerships and Collaborations

In FY 2022/2023, the Commission signed a Memorandum of Understanding (MOU) with institutions such as; the Public Procurement Regulatory Authority (PPRA). The MOU focuses on areas of cooperation in investigations and enhancing accountability in the public service.

Further, the Commission pursued partnerships with international peer agencies such as; the Federal Bureau of Investigation (FBI), development partners including; GIZ and the European Union/United Nations Office on Drugs and Crime (EU/UNODC) under the Programme for Legal Empowerment and Aid Delivery in Kenya, Phase II (PLEAD II) to enhance the capacity in the fight against corruption.

d. Achievements

The Commission through law enforcement concluded **97** investigations, recovered Assets worth approximately **Kshs. 4.2 Billion** and traced corruptly acquired assets worth approximately **Kshs. 3.58 Billion**. In addition, the Commission averted loss of approximately **Kshs. 4.74 Billion** through

Ethics & Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

proactive investigations and disruption of corruption networks, instituted **523** suits for recovery, protection and preservation of public assets suspected to be corruptly acquired, or proceeds of corruption worth **Kshs. 887 Million**.

The Commission through preventive interventions finalized **2** systems examinations/reviews and Corruption Risk Assessment in 6 public entities (4 County Governments and 2 state corporations); issued advisories on prevention of bribery and corruption to **172** MDAs under the Performance Contracting framework; conducted continuous trainings, education and awareness programmes under the National Integrity Academy (NIAca) and conducted schools outreach programs to inculcate a culture of ethics and integrity targeting school children and college students.

e. Challenges

Despite the progress so far realized, the Commission still encountered a number of challenges that include; inadequate resources, slow judicial processes, politicization of corruption, citizen apathy, impersonation of staff and inadequate legal framework to enforce Chapter Six of the Constitution.

ii) Environmental performance

In order to embrace sustainable waste disposal, the Commission has a Service Level Agreement with a cleaning services firm to offer cleaning, collection of garbage and disposal of various categories of waste generated in the Commission premises.

Waste Bins are equally positioned strategically in various locations of Commission premises in order to ensure clean environment.

The Commission has a Corporate Social Responsibility Programme whose objectives include conservation of the environment through improvement of forest cover through tree planting.

iii) Employee Welfare

The Commission has a policy on recruitment, appointment and promotion that guides the recruitment process. The policy provides a requirement to ensure that the one (1/3) gender constitutional requirement is observed in the recruitment processes. Further, the Commission's Shortlisting and Interview Guidelines are designed to promote regional and gender balance. The percentage gender distribution was 40.3% female and 59.7% male as at June 2023, out of which 31 ethnic communities are represented out the 46 existing communities as per 2019 census report. In recognition of the Commission's effort in embracing diversity and inclusivity, in March 2023, the Commission was awarded a certificate of recognition as 2nd runners up in the category of most inclusive constitutional Commission and Independent office.

Ethics & Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

The Commission policies are reviewed from time to time but within a period of three (3) years and the review takes into consideration views of stakeholder to ensure participation. For instance, the Commission's Corporate Services and Procedures Manual and the Organizational Structure were reviewed in 2020. The two instruments have been identified for review in the EACC Strategic Plan 2023-2028.

To manage and develop employee's knowledge, skills and attitudes, the Commission develops an Annual Training Plan which acts as a guideline for training staff each financial year. The training needs are derived from gaps identified during performance appraisal and skills gaps based on the Commission's strategic objectives and mandate. Further, to ensure officers are in good professional standing with the various professional bodies, the Commission pays for Annual Subscription and Continuous Professional Development (CPD) courses for officers who are registered as professionals within the various professions. The Career Progression Guidelines specifies the growth of jobholders and specifies the requirements of each position thus making officers aware of the requisite skills required to grow in their careers.

The Performance Management System in the Commission entails setting targets that are drawn from the Strategic Plan cascaded into departmental work plans through to individual targets. Performance appraisal is conducted at the end of the financial year based on the target sets at the beginning of the year between the appraisers and appraisee to ensure that the appraisal process is objective. In order to reward officers, Commission recommends officers for National honours and issues commendation letters in recognition of exemplary performance. The Commission also provides the following insurance covers to cater for the employee welfare, Staff medical Cover, Group Life Assurance Cover and Group Personal Accident Cover. The Commission has a Health and Safety Policy that is in compliance with the Occupational Safety and Health Act of 2007.

iv) Market place practices-

a) Responsible competition practice

The open tender procurement method continues to be the preferred method to enhance completion, equity and provide transparency in the procurement and disposal processes. The commission further adhered to the affirmative programs through allocation of a portion of procurement opportunities to the Youth, Women and Persons with Disability firms.

The Commission adheres to high standards of integrity in its business operations, in the tender documents an anonymous hotline service is provided to report unethical behaviours.

Ethics & Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

b) Responsible Supply chain and supplier relations

The Commission has improved relationship with the various supply chain stakeholders in the value chain and the engagements has created value to the user department requirements. Through supplier development programs the Commission has managed to enhance consolidation of the procurement requirements that has realized centralized supply chain that enabled economies of scale.

c) Responsible marketing and advertisement

The Commission use of the e-procurement has enabled the procurement opportunities to reach a wider supplier base and further reduced the bidding costs of suppliers through electronic submission of their bids. The use of print media as a means of advertisement has been a strategy for mass reach of potential bidders on the available procurement opportunities

d) Product stewardship

The Commission technical requirements has shifted to performance based instead of the traditional conformance requirements; this shift has enabled value for money outcome.

Further emphasis have been placed on whole life cost approach in determination of the most responsive bids that has supported in financial planning and decision making by the evaluation committees.

v) Corporate Social Responsibility / Community Engagements

The EACC's corporate social responsibility is based on the fact that, as part of the Kenyan society, we have responsibilities that go beyond our legal obligations for the benefit of the society at large. Our corporate social responsibility entails community engagement, supporting community activities, responding to emerging challenges, donating to charities, helping the needy and application of ethical conduct and participating in matters of topical national interest in Kenya. Our Corporate Social Responsibility, CSR, strategy involves building relationships and partnerships and working together with organizations that we believe advance the wellbeing of Kenyans. The EACC's CSR decisions are made in the best interest of the society.

Concerning, engagement with the community, the Commission strives strong values for existential relationship. However, in FY 2022/23, The Commission did not engage in either CSR or Community engagement activity.

12 STATEMENT OF COMMISSION'S RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012 and section 26 of the Ethics and Anti-Corruption Commission Act, require the Management to prepare Financial Statements in respect of EACC, which give a true and fair view of the state of affairs of the EACC at the end of the financial year and the operating results of the EACC for the period 2022/2023. The Commission is also required to ensure that proper accounting records are kept which disclose with reasonable accuracy the financial position. The Commission is also required to safeguard its assets.

The Commission is responsible for the preparation and presentation of the EACC's Financial Statements, which give a true and fair view of the state of affairs of the EACC as at the end of the financial year ended on June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the EACC; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Commission accepts responsibility for the EACC's Financial Statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the Public Finance Management Act and the Ethics and Anti-Corruption Commission Act, 2011. The Commission is of the opinion that the EACC's financial statements give a true and fair view of the state of EACC's transactions during the financial year ended June 30, 2023 and of the EACC's financial position as at that date. The Commission further confirms the completeness of the accounting records maintained for EACC, which have been relied upon in the preparation of the financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the Commission to indicate that the EACC will not remain a going concern for at least the next twelve months from the date of this statement.

REPORT OF THE AUDITOR-GENERAL ON ETHICS AND ANTI-CORRUPTION COMMISSION FOR THE YEAR ENDED 30 JUNE, 2023**PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purposes.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided under Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS**Opinion**

I have audited the accompanying financial statements of Ethics and Anti-Corruption Commission as set out on pages 1 to 24, which comprise the statement of financial position as at 30 June, 2023, and the statement of financial performance, statement of

Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2023

changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Ethics and Anti-Corruption Commission as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Ethics and Anti-Corruption Commission Act, 2011.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Ethics and Anti-Corruption Commission Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Poor Financial Performance

During the year under review, the Commission reported a deficit of Ksh.181,860,262 (2021/2022-Kshs.61,647,104). Management has disclosed in Notes 6 and 28 to the financial statements that the deficit arose mainly due to depreciation and amortization expense of Ksh.99,186,101 which is a non-cash expense and accrued expenses leading to an increase in trade and other payables balances from Kshs.23,761,416 in the prior year to Kshs.99,106,066 in the current period. This is attributed to the underfunding by the Exchequer which if unreversed is likely to negatively impact on the implementation of the Commission's planned activities.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2023

Other Matter

Trade and Other Payables

As disclosed in Note 17 to the financial statements, the statement of financial position reflects trade and other payables balance of Kshs.99,106,066 which was not settled during the financial year 2022/2023 but was carried forward to 2023/2024 financial year. Management attributed non- payment of trade and other payables to lack of Exchequer issues from The National Treasury.

Failure to settle payables during the year to which they relate adversely affects budgets for the following year.

Other Information

The Commissioners are responsible for the other information, which comprises the Chairman's report, Secretary/Chief Executive Officer's report, the statement of corporate governance, management discussions and responsibilities, statement of corporate social responsibility and the statement of commissioners' responsibilities. The other information does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance or conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2023

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and Commissioners

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Commission's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the Commission or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Commissioners are responsible for overseeing the Commission's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually

Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2023

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to continue to sustain its services. If I conclude that a

Report of the Auditor-General on Ethics and Anti-Corruption Commission for the year ended 30 June, 2023

material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Commission to cease to continue to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Commission to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

Ethics and Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

19 NOTES TO THE FINANCIAL STATEMENTS

General Information

The Ethics and Anti-Corruption Commission (EACC) was established under the Ethics and Anti-Corruption Act on 27th August 2011. The Entity is domiciled in Kenya and has Regional Offices in the regions of Bungoma, Eldoret, Garissa, Isiolo, Kisii, Kisumu, Machakos, Malindi, Mombasa, Nakuru, and Nyeri.

1. Statement of Compliance and Basis of Preparation

The Commission's Financial Statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Commission. The accounting policies have been consistently applied to all the years presented.

The Financial Statements have been prepared on the basis of historical cost, unless stated otherwise. The Cash Flow statement is prepared using the indirect method. The Financial Statements are prepared on accrual basis of accounting.

2. Summary of Significant Accounting Policies

a) Revenue recognition

Revenue from non-exchange transactions

Income is recognized in the period in which it is received. Government and donor funding is only recognized on receipt. Income is not accrued if its recoverability is considered doubtful. Interest income is recognized on time in proportion basis using the effective interest rate method.

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Commission and can be measured reliably.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the Commission.

Ethics and Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

b) Budget information

The annual budget is prepared on the accrual basis, that is, all planned costs and income are presented in a single statement to determine the needs of the entity. As a result of the adoption of the accrual basis for budgeting purposes, there are no basis, timing or entity differences that would require reconciliation between the actual comparable amounts and the amounts presented as a separate additional financial statement in the statement of comparison of budget and actual amounts.

c) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if their recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

Investment properties are derecognized when either they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition. Transfers are made to or from investment property only when there is a change in use.

d) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the Commission recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value. The Commission's policy is to depreciate assets on straight line basis at the following rates, Buildings 2%, Motor vehicles 16.67 %, Furniture and fittings 12.5%, Computer equipment 30%, Security equipment 12.5%, Plant and equipment 12.5%.

Ethics and Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

e) Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

The useful life of the intangible assets is assessed as either finite or indefinite. The Commissions policy is to depreciate Software at the rate of 20%.

f) Research and development costs

The Commission expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Commission can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

g) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

Ethics and Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

h) Provisions

Provisions are recognized when the Commission has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation. A reliable estimate can be made of the amount of the obligation.

Where the Commission expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is Virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Contingent liabilities

The Commission does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

j) Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

k) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

l) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

m) Significant Judgments and Sources of Estimation Uncertainty

The preparation of the Commission's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However,

Ethics and Anti-Corruption Commission Annual Report and Financial Statements for the year ended June 30, 2023

uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared.

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- (a) The condition of the asset based on the assessment of experts employed by the Entity
- (b) The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- (c) The nature of the processes in which the asset is deployed
- (d) Availability of funding to replace the asset

APPENDIX 2: PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated timeframe within which we expect the issues to be resolved.

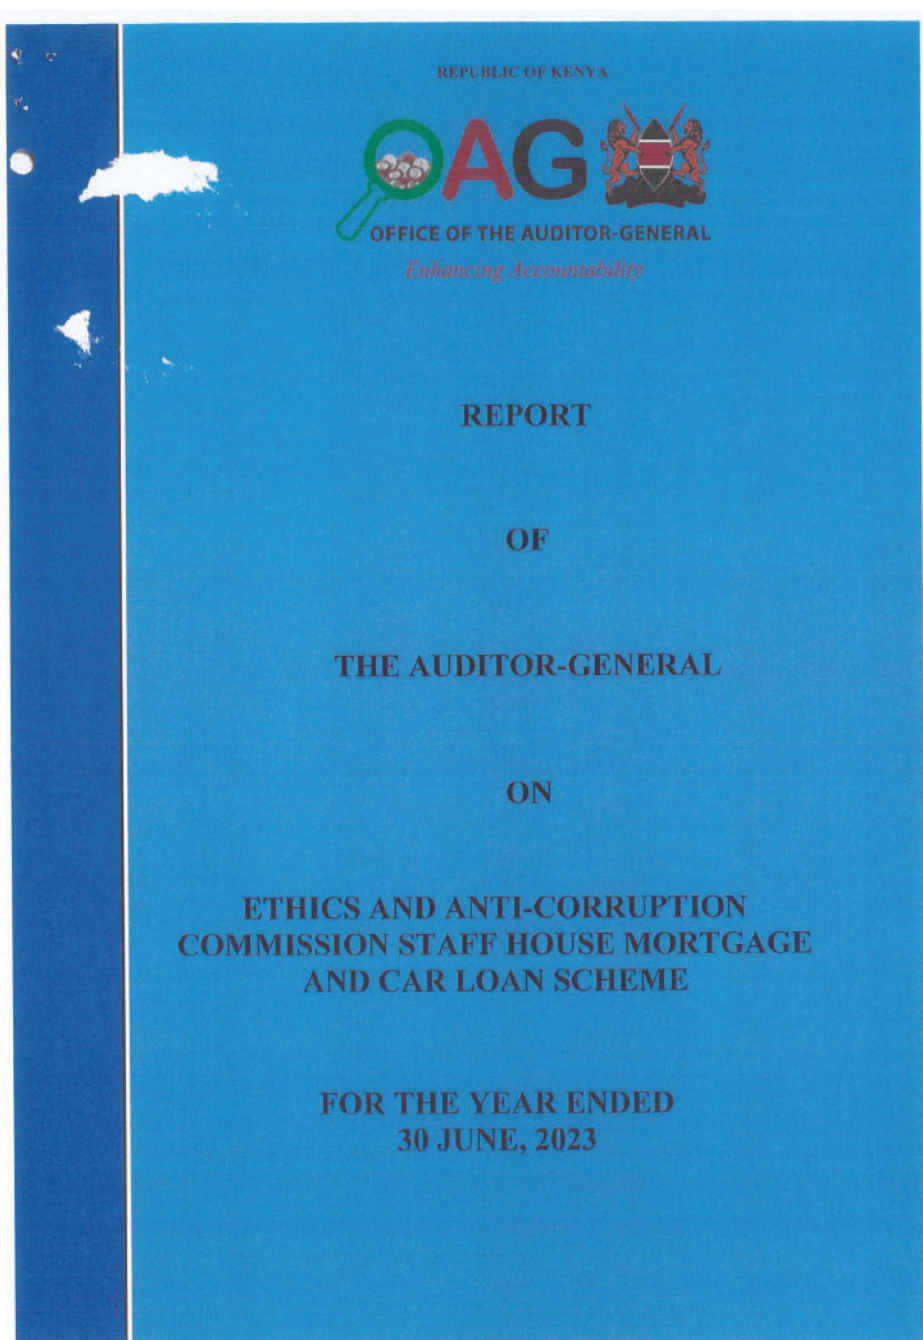

Ref. No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue	Status	Timeframe
1	The Commission reported a deficit of Kshs 61,647,104 (2020/2021- Kshs 64,475,692). The persistent under-funding might affect the full implementation of the Commission's planned activities in the future.	The deficit arose mainly due to depreciation and amortization expenses. 2. KEY FUND INFORMATION AND MANAGEMENT

a) Background information

Ethics & Anti-Corruption Commission (EACC) Staff House Mortgage and Car Loan Scheme Fund was established and derives its authority and accountability from the provisions under Section 84(1), Section 24 (4) (5) (6) (7) of the PFM Act, 2012 and Section 127 (1) (2) of the PFM (National Government) Regulations, 2015.

The EACC Staff House Mortgage and Car Loan Fund was set in the financial year 2016-2017 as a revolving fund pursuant to the Salaries and Remuneration Commission (SRC) Circular ref No. SRC/ADM/CIR/1/13 Vol. III (128) of 17th December 2014 on Mortgage and Car Loan Schemes for State Officers and other Public Officers of Government of Kenya, with the objective of providing a loan scheme for the purpose of acquisition of motorcar and residential property for staff.

The Fund is wholly owned by Ethics & Anti-Corruption Commission (EACC) and is domiciled in Kenya.

b) Principal Activities

The principal activity of the fund is to provide:

- (i) Mortgage loans to EACC staff for the sole purpose of:
 - a) Purchasing an existing residential property;
 - b) Purchase of land and construction;
 - c) Construction, renovation and/or improvement of existing residential property or existing plot/land;
 - d) Takeover loans on existing mortgages or equity release on existing mortgage property
- (ii) Car loans for acquisition of motor cars for personal use by EACC staff.

The Fund is administered by the EACC Staff Mortgage and Car Loan Advisory Committee. The committee is charged with the responsibility of processing loans from applicants in accordance with laid down approved regulations, setting up a revolving Fund for the disbursement of loans, and supervising the day-to-day operations of the Fund.

5. CHAIRPERSON'S REPORT

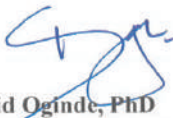

The Commission established the Staff House Mortgage and Car Loan Scheme in 2016 as an important tool to motivate, retain and improve their wellbeing. The Scheme was established pursuant to Salaries and Remuneration Commission Guidelines to enable staff acquire residential houses and motor vehicles at favourable interest rates.

The Scheme started with an initial seed capital of Kshs 300 million in 2016 and has grown over the period to the current cash inflows of Kshs 1,733,955,144. The National Treasury has continued to support the Scheme through consistent funding. The loan principal repayment stood at Ksh.400, 021,861 by end of FY 2022/23.

The governance and management of the Scheme is set out in the EACC Staff Mortgage and Car Loan Scheme Policies and Regulations, 2016 (Revised 2019) and as per the guidelines issued by the Salaries and Remuneration Commission. The Policies and Guidelines provides a framework for the prudent management, accountability and transparency in application of the fund.

Finally, the Commission extends its appreciation to the National Treasury for the continued support in allocation of resources to the Fund. We also call upon the Trustees and Service Providers to remain prudent and vigilant in ensuring that the Fund meets its intended objective.

God bless Kenya, God bless you all.

David Oginde, PhD
CHAIRPERSON OF THE COMMISSION

6. REPORT OF THE FUND ADMINISTRATOR

The Commission presents the Financial Statements of the EACC Staff House Mortgage and Car Loan Scheme for the year ending 30th June 2023. The Scheme is administered pursuant to the Public Finance Management Act, 2012, the Public Financial Regulations, 2015 and reported in line with the International Public Sector Accounting Standards (IPSAS).

In order to ensure good governance and efficiency in the management of the Fund, the Commission has established the Staff Mortgage and Car Loan Advisory Committee to administer the Fund. External professional service providers support the Committee with technical expertise for effective operation of the Fund. As at 30th June 2023, the fund balance stood at Kshs. 1,202,377,405 while the loan repayments have stood at Kshs. 400,021,861.

The Scheme has so far facilitated 150 members of staff with mortgage facilities while 97 employees have been facilitated to acquire motor vehicles. In the year under review, the Fund disbursed Kshs. 60,744,129 and Kshs. 1,600,000 for House Mortgage and car loans respectively.

I encourage the staff of the Commission to take advantage of this competitive facility to improve their welfare and that of their families. As the Fund Administrator, I will continue to work with all the stakeholders including the National Treasury with a view to ensure sustainability of the Fund.

7. STATEMENT OF PERFORMANCE AGAINST PREDETERMINED OBJECTIVES

Introduction

Section 81 (2)(f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer when preparing financial statements of each national government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key strategic objectives are contained in the EACC 2023-2028 Strategic Plan. However, to achieve the objective of the Salaries and Remuneration Commission (SRC) circular Ref. No: SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December 2014 that initialized the establishment of the fund, the EACC 2023-2028 Strategic Plan incorporated the following as one of its strategic objectives;

To attract and retain a productive and motivated human resource

To realise this strategic objective, the EACC Staff House Mortgage and Car Loan Scheme relied on its strategic objectives to guide activities, policy formulation and work plans and made the following progress and achievements towards its targeted objective during FY 2022/2023.

Below we provide the progress on attaining the stated objective:

Program	Objective	Outcome	Indicator	Achievements
Control and Management of Public Finances	To attract and retain a productive and motivated human resource	Increased number of staff accessing the staff mortgage and car loan	Percentage of staff retained in EACC and number of staff who accessed the mortgage and car loans	The number of staff who accessed the mortgage and car loans rose from 242 in FY 2021/2022 to 247 staff in FY 2022/2023. This has led to a motivated workforce and retention of staff in EACC.

8. CORPORATE GOVERNANCE STATEMENT

a. The EACC Staff House Mortgage and Car Loan Scheme Fund

The Ethics and Anti-Corruption Commission Staff House Mortgage and Car loan scheme Fund is a revolving fund established pursuant to the Salaries and Remuneration Commission (SRC) circular number SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December 2014 and Section 24 (4)(5)(6)(7) of the Public Finance Management (PFM) Act, 2012 and 127 (1)(2) of the PFM (National Government) Regulations, 2015.

Its mandate is to provide car loans and house mortgage to members of staff. The fund is committed to ensuring compliance with regulatory and supervisory corporate governance requirements. Essential to the establishment of a corporate governance framework in the fund is a formal governance structure with the committee at its apex. The operations of the fund are governed by EACC Staff House Mortgage and Car Loan Scheme Regulations, 2016 (Revised 2019) and PFM Act, 2012, PFM Regulations, SRC Circulars, National Treasury Circulars and any other government legislations.

b. The Fund Management Committee

Section 9 & 10 of the EACC Staff Mortgage Regulations, 2016 (Revised 2019) provides for appointment of a committee and an administrator of the fund. The committee is made up of twelve members including the Chairperson and a Secretary. The committee is responsible for the long-term strategic direction of the fund. The committee exercises leadership, enterprise, integrity and judgment in directing the Fund.

c. Roles and functions of the Fund Administration Committee

The function of the Committee includes receiving and processing applications for loans following the existing terms and conditions of borrowing; liaising with the service provider (financial institution) to set up the revolving Fund for disbursement of loans; forward the successful applications with recommendations to fund managers for processing.

The committee members are provided with full, appropriate and timely information that enables them to maintain full and effective control over the strategic, financial, operational and compliance issues. The day-to-day running of the fund is delegated to the fund administrator but the committee is responsible for establishing and maintaining the fund's system of internal controls for the realization of its mandate.

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

d. Committee Meetings

The committee meets quarterly or as required in order to monitor the implementation of the fund's strategic objectives and achievement of the targets. The committee also plays an oversight role over all other financial and operational issues.

e. Ethics and conduct as well as governance audit

Internal Control and Risk Management

The committee is responsible for reviewing the effectiveness of the fund's system of internal control which is designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against unauthorized use or disposition and the maintenance of proper accounting records and the reliability of financial information used within the business or for publication. These controls are designed to manage rather than eliminate the risk of failure to achieve business objectives due to circumstances which may reasonably be foreseen and can only provide reasonable and not absolute assurance against material misstatement or loss.

Management Team

The management team headed by the Fund Administrator implements the committee decisions and policies through action plans. The team meets regularly to review these action plans to ensure that the committee's objectives are achieved effectively and efficiently.

Auditor

The Auditor General is responsible for the statutory audit of the EACC Staff House Mortgage and Car Loan Scheme Fund in accordance with the provisions of Art. 226 (3) and Art.229 (4) (b) of the Constitution of Kenya, 2010, section 24 (10) (b) and section 84 (3) of the PFM Act, 2012 and section 35 of the Public Audit Act, 2015. The audit issues raised in the FY 2022/2023 were resolved, and the scheme financial statements were reported to present fairly in all material aspects the true financial position of the Scheme. The auditors of the Scheme, thus, issued an unqualified audit opinion.

Statement of Compliance

The Committee confirms that the Fund has, throughout the FY 2022/2023, complied with all statutory and regulatory requirements and has been managed under the principles of good corporate governance.

Due to increased demand for mortgage and car loan facility, the fund has been facing inadequate resource challenges due to fiscal austerity measure instituted by the government. However, there is a great expectation that in future the scheme will be a self-sustaining revolving fund.

b) Fund's key projects or investments decision implemented or ongoing

The Commission has continued to support the Mortgage and Car Loan schemes for the staff. This is intended to provide affordable housing for the staff while at the same time facilitating the staff to conveniently commute to and from their workplace.

c) Fund's compliance with statutory requirements

The fund complied with all its statutory and tax obligations in the implementation of its mandate. Further, the fund complied with all the necessary laws and regulations applicable in the management of the funds.

d) Risk management activities

The Scheme has put in place risk management framework for risk identification and mitigation. Further it has embedded risk management in all its planning, execution, evaluation and business continuity arrangements.

Some of the key risks facing the scheme fund include

- i) **Strategic Risks:** These are risks that affect the ability to carry out the long-term goals and objectives of the fund due to inadequate funding.
- ii) **Compliance Risks:** These are risks associated with non-compliance with applicable laws and regulations could result in litigation and conflict of interest.
- iii) **Financial Risks:** The risk of financial loss that may include ineffectiveness of internal controls, inadequate funding, inability to service the loans and delay in financial reporting due to reliance on third party financial information. The delayed funding may also result in the Commission's inability to fund all the applications hence delay in issuing loans and acquisition of the properties.
- iv) **Operational Risk:** The risk of direct or indirect loss or inability to provide core services especially to mortgage and car loan applicants, resulting from inadequate or failed financial processes, resources and systems.

e) Financial Probity and Governance

To obtain assurance on compliance and prudence in the management of the fund finances, the Scheme prepares the financial statements for the Mortgage and Car loan funds, which are subjected to both internal and external audit. The audit findings and recommendations enable the Scheme to strengthen the fund operational and financial systems.

10. ENVIRONMENTAL AND SUSTAINABILITY REPORTING

Environmental and Sustainability reporting corporate social responsibility is an integral part of the Commission culture. As a responsible organization, the Commission respects the interests of its stakeholders – our employees, customers, suppliers and the wider community. We actively seek opportunities to improve the environment and contribute to the well-being of our communities. During the Financial Year 2022/2023, the Fund did not carry out any CSR. However, the Committee is looking forward to getting involved more in CSR activities in future.

12. STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 84 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a Fund established under the constitution or an act of parliament shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund, (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies, and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2023, and of the Fund's financial position as at that date.

The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements.

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

REPORT OF THE AUDITOR-GENERAL ON ETHICS AND ANTI-CORRUPTION COMMISSION STAFF HOUSE MORTGAGE AND CAR LOAN SCHEME FOR THE YEAR ENDED 30 JUNE, 2023

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme as set out on pages 1 to 25,

Report of the Auditor-General on Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2023

which comprise the statement of financial position as at 30 June, 2023 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Ethics And Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme Regulations, 2016 (Revised 2019) and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Report of the Auditor-General on Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2023

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal controls, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and The Commissioners

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Scheme's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Scheme or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Commissioners are responsible for overseeing the Scheme's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Report of the Auditor-General on Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2023

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Report of the Auditor-General on Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme for the year ended 30 June, 2023

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Scheme to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Scheme to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide the Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

19. NOTES TO THE FINANCIAL STATEMENTS

1. General Information

Ethics and Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme Fund is established by and derives its authority and accountability from the Public Finance Management Act (PFMA) 2012. The Fund is wholly owned by the Ethics & Anti-Corruption Commission (EACC) and is domiciled in Kenya. The Fund's principal activity is to provide financing to the members of staff to purchase, develop or renovate residential property and acquisition of motor car for private use.

2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant, and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Fund's accounting policies.

The financial statements have been prepared and presented in Kenya Shillings (**Kshs**), which is the functional and reporting currency of the Fund.

The financial statements have been prepared in accordance with the PFM Act, 2012 and the International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. Adoption of New and Revised Standards

i. New and amended standards and interpretations in issue effective in the year ended 30 June 2023

IPSASB deferred the application date of standards from 1st January 2022 owing to Covid 19. This was done to provide entities with time to effectively apply the standards. The deferral was set for 1st January 2023.

iii. Early adoption of standards

The Fund did not early – adopt any new or amended standards in the year 2022/23

4. Significant Accounting Policies

a. Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Fund and can be measured reliably.

ii) Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income for each period.

b. Budget information

The original budget for FY 2022/23 was approved on 22nd July 2022. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the Fund upon receiving the respective approvals in order to conclude the final budget.

The Fund's budget is prepared on a different basis from the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis.

The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also

made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts as per the statement of financial performance has been presented under page 5 of these financial statements.

c. Financial instruments

1) Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments; Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments, or available-for-sale financial assets, as appropriate. The Fund determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Fund has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, with less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Fund assesses at each reporting date whether there is objective evidence that a financial asset or a Fund of financial assets is impaired. Management then follows the procedure

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

Significant Accounting Policies (Continued)

required by Regulation 145 of the PFM Act, 2012. A financial asset of the Fund is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (*an incurred 'loss event'*) and that loss event has an impact on the estimated future cash flows of the Fund that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors of the Fund are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults).

2) Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Fund determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

d. Contingent liabilities

The Fund does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

e. Contingent assets

The Fund does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Fund in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

Significant Accounting Policies (Continued)

f. Changes in accounting policies and estimates

The Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

IPSAS-3: Accounting Policies, Changes in Accounting Estimates and Errors is applied in selecting and applying accounting policies, accounting for changes in estimates and reflecting corrections of prior period errors.

The standard requires compliance with any specific international financial reporting standard applying to a transaction, event or condition, and provides guidance on developing accounting policies for other items that result in relevant and reliable information. Changes in accounting policies and corrections of errors are generally retrospectively accounted for, whereas changes in accounting estimates are generally accounted for on a prospective basis.

Prior period errors are omissions from, and misstatements in, an entity's financial statements for one or more prior periods arising from a failure to use, or misuse of, reliable information that was available and could reasonably be expected to have been obtained and taken into account in preparing those statements. Such errors result from mathematical mistakes, mistakes in applying accounting policies, oversights or misinterpretations of facts, and fraud.

g. Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

h. Related parties

The Fund regards a related party as a person or entity with the ability to exert control individually or jointly, or to exercise significant influence over the Fund, or vice versa. Members of key management are regarded as related parties and comprise the Commission, the Directors, the Fund Managers, and Fund Accountant.

i. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call, and liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Housing Finance Company and KCB Bank Ltd at the end of the financial year.

j. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

k. Events after the reporting period

There were no material adjusting and non-adjusting events after the reporting period.

l. Ultimate and Holding Fund

The EACC Staff Mortgage and Car Loan Scheme Fund is established pursuant to the Salaries and Remuneration Commission (SRC) circular number SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December 2014 and Section 24 (4)(5)(6)(7) of the Public Finance Management (PFM) Act 2012 and 127 (1)(2) of the PFM (National Government). Its ultimate parent is the Ethics and Anti-Corruption Commission.

m. Currency

The financial statements are presented in Kenya Shillings (**Kshs**).

5. Significant judgments and sources of estimation uncertainty

The preparation of the Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

14. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk.

The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

the Fund's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the Fund's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs.	Fully performing Kshs.	Past due Kshs.	Impaired Kshs.
At 30 June 2023				
Receivables from Car Loans and Mortgages	909,177,125	909,177,125	-	-
Bank Balances	293,200,280	293,200,280	-	-
Total	1,202,377,405	1,202,377,405	-	-
At 30 June 2022				
Receivables from Car Loans and Mortgages	933,683,364	933,683,364	-	-
Bank Balances	252,856,967	252,856,967	-	-
Total	1,186,540,331	1,186,540,331	-	-

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the Fund has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts. The Fund has significant concentration of credit risk on amounts due from staff loan beneficiaries.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the Fund's short, medium, and long-term funding and liquidity management requirements. The Fund manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the Fund on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates, which will affect the Fund's income or the value of its holding of financial instruments.

The objective of market risk management is to manage and control of market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by the Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the Fund's exposure to market risks or the manner in which it manages and measures the risk.

d) Interest rate risk

Interest rate risk is the risk that the Fund's financial condition may be adversely affected as a result of changes in interest rate levels. The Fund's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs. 142,333 (2022: Kshs. 28,913,207).

*Ethics & Anti-Corruption Commission Staff House Mortgage and Car Loan Scheme
Annual Report and Financial Statements for the year ended 30th June 2023*

A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs. 1,445,660 (2023- Kshs. 29,055,540) = (Last year revenue) x (1+5%)

e) Capital risk management

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The Fund capital structure comprises of the following funds:
