

ADDENDUM

11th October 2024

A. TENDER NO. EACC/T/12/2024-2025 SUPPLY AND DELIVERY OF BACKUP AND REPLICATION SYSTEM LICENSING AND SUPPORT IFMIS NO. 1660288

1. Variations to Technical Requirements.

Item	Previously indicated	Varied to
Licensing	Perpetual for four (4) sockets, unlimited objects (VMs, Files etc)	Minimum three years licensing for four (4) sockets, unlimited objects (VMs, Files etc)
Support	One (1) year of Production (24/7) Direct support from solution developer	Three (3) year of Production (24/7) Direct support from solution developer
Partnership	Minimum silver or equivalent level of partnership with solution developer	Proof of partnership with solution developer

2. Please confirm your contract is existing and is up-to-date.

The current contract is expired and thus not up to date. The Commission is seeking for a software solution that will provide for an automated and scheduled backing up and replication of virtualized servers running on Vmware to a Secondary Data Centre or Disaster Recovery site of a similar virtualization setup or otherwise. The backup should be independent of the servers operating systems, number of servers, data size and future growth so no need for sizing. The solutions just needs to be able to run backups and replications

B. TENDER NO. EACC/T/11/2024-2025

SUPPLY, DELIVERY AND INSTALLATION OF SOFTWARE LICENSES (MICROSOFT, ADOBE, LINUX ETC) ON A FRAMEWORK CONTRACT

Please confirm your contract is existing and is up-to-date for Adobe.

Kindly treat adobe supply as a new procurement but not renewal/extension of license
