Good morning!

1. It is a great honor and privilege to welcome you all to the launch of the Strategic Plan for the National Integrity Academy. Your presence here today is a demonstration of commitment in the fight against corruption and promotion of integrity through continuous capacity building.
2. The unveiling of this strategic plan represents not just the culmination of months of diligent effort but also the beginning of a transformative journey towards a more transparent and just nation.

3. The National Integrity Academy was established by the Commission in July 2018 as the training arm of the Commission. It is registered with the Technical and Vocational Education and Training Authority (TVETA) and the National Industrial Training Authority (NITA) as a training Institution. The Academy has developed invaluable curriculum and training content on ethics and law enforcement courses.

Ladies and gentlemen,

4. This plan will guide us in building capacity, promoting a culture of transparency, and strengthening institutions to uphold the highest standards of accountability.

5. I would like to express my gratitude to everyone who contributed to the development of this strategic plan. I acknowledge the technical committee members and the consultant, Prof. Collins Odote, who worked with the Committee.
6. This Strategic Plan will enhance the achievement of the Commission's strategy on capacity building on anti-corruption interventions and promotion of good governance.
7. This plan has focused on collaboration as a critical component towards its successful implementation. I therefore call upon our development partners to continue supporting the Academy. Allow me to appreciate the European Union and UNODC who supported the development of the Strategic Plan.

8. In conclusion I once more, extend my sincere gratitude to you for honoring our invitation to come for this launch.
9. It is now my honor and privilege to welcome the Commission Chairperson, Dr. David Oginde, who is our chief guest to make his key note remarks.

Thank you all and May God Bless You.
